## Nhl Opening Night Review:

**When the NHL Invaded Japan** Steve Currier,2022-06-21 When the NHL announced in early 1976 that its two worst teams the Washington Capitals and Kansas City Scouts would travel to Japan for a four game exhibition series dubbed the Coca Cola Bottlers Cup fans and media were baffled The Capitals and the Scouts were both expansion teams with a combined 46 wins 236 losses and 38 ties in their first two seasons stats made more dismal when considering seven of those wins were against each other Yet lagging so hopelessly behind the rest of the NHL they were perfect for a one off event on the other side of the globe The series was an eye opening success Players skated on an Olympic swimming pool ringed with rickety boards hung with fishing nets that boomeranged pucks into their faces as curious Japanese fans gasped at the gap toothed Canadians wrestling on the ice Filled with rare photos and player recollections this book tells the story of how two league doormats became hockey heroes half way around the world
