

# MORAL VALUES

Moral values are the belief systems and principles that help us make decisions about the correct behavior in a given situation.

## OVERVIEW

Moral values form the basis of our behavior and actions in different situations. They are often derived from sources like culture, religion, family values, laws, and personal experiences. Moral values are integral in shaping the character and behavior of individuals, influencing their decisions, actions, and interactions with others.

## EXAMPLES

- **Honesty:** Honesty means telling the truth, but also avoiding deception and ensuring you are not misrepresenting facts.
- **Respect:** Respect refers to honoring others by treating them with dignity. To be respectful, we would aim to be polite, kind, and honor other people's wishes.
