Please note: This is a companion version, not the original book. Sample Book Insights: 1. I was raised in a rural environment and as a result I inherited a practicality that says when something doesn't work, get rid of it. I chucked religion and then education as I searched for answers. 2. I began to think that I could find happiness and meaning in prestige. I would find a noble cause, devote myself to it, and in the process become well known on campus. But the thrill of prestige wore off like everything else I had tried. 3. I was extremely attracted to the group of Christian students I met and I decided to become friends with them. They challenged me to examine the claims of Jesus Christ, and I wasn't buying it. I was fed up with religion and religious people. 4. I was a prelaw student and I knew something about evidence. I decided to investigate the claims of Christianity thoroughly and come back and knock the props out from under their sham religion.

A Dialogue on God, Man, and Grace*; and *Did the Resurrection Happen Really? A Dialogue on Life, Death, and Hope*.
