More Than A Conqueror:

More Than a Conqueror Sally Nwogu,2020-03-19 Who is a conqueror A conqueror is one who had victory over an adversary Being more than a conqueror is to gain a surpassing victory More than being victorious Achieving greater than imagined it means you have not only achieved victory over your adversary but you are overwhelmingly victorious To say we are more than a conqueror reveals that we cannot explain it but we can experience it when we overcome in a given uphill situation or battle of life A conqueror is one who knows for sure he got a battle to fight and recognizes that there is a helper somebody inside of him that is greater than the battle itself Jesus and gives the battle over to him and victory is obtained

More Than a Conqueror Ty Tamasaka,2015-05-13 If Christians understood that Jesus promised so much more than forgiveness of sin in our lives the world would be turned upside down Where are the people of God who grow up to maturity in Christ Where are those who are prepared to forsake all and make the gamble to follow Him Where are those who make it their goal to hear the Father say Well done good and faithful servant God has called you to be more than a conqueror in this life and the next In *More than a Conqueror Five Pathways to Personal Revival* author Ty Tamasaka shares how you can not only conquer the enemy but be more than a conqueror You will discover how to ignite a vibrant relationship with God and awaken a deeper faith within No matter where you are in your walk with God if taken to heart the information found in *More than a Conqueror Five Pathways to Personal Revival* will spark a revival within you Youll be on your way to the life God wants you to live

More Than a Conqueror Peter Yeomans,2006-05 This book was written for the body of Christ that it would seek and move in the power and authority that Jesus obtained for us to become more than conquerors More Than Conquerors Ivan Pitzer De Souza,2012-04 In his recent book *Spiritual Battle* the author used the expository method of the Word of God He presented the aspect of prayer in the work of intercessors as the Christian s most powerful weapon the basic issues of the Trinity in which all the weapons might be used in accordance with the Throne of Grace The related issues of the Father as the Provider of the Son as Mediator of the Holy Spirit as Helper assured security in the battle against the saints of the Lord Furthermore the author intended to reveal the Christian s enemy the devil the enemy of God unveiling his strategy since the beginning and his methods of attack Finally he proves that the prayer warrior s weapons are effective Now he exposes the best strategies to battle as per the Word of God as a weapon of attack The best strategy in a battle is the offensive But when we are dealing with the enemy we must outnumber him three times more The weapons must be used with full power in the combat front but supported by heavier and more accurate long range weapons We are part of an army where the General is Christ his number of celestial angels is three times higher His invincible power is the Trinity where the Father is unchangeable and indestructible the Son everlasting lives forever the Holy Spirit guarantees great power above any power existing on Earth or beyond The author in the first part of this book talks about real Me experiences since his childhood through his teen years youth and the early stages of his own family engagement and marriage the call to his

ministry showing in a simple example how the Lord of the Harvest works through his servants as they present themselves as a living holy and pleasant sacrifice to him After 30 years as a minister since the early 60 s the Lord s call for the author to be an Ambassador to more than 140 countries preaching the Gospel in several languages and dialects and being prepared for the Holy Spirit s work in a very special way always trying to maintain his self control studying all the manifestations of the power of the Holy Spirit and of the glory of the Throne of God through the mediation of our Lord of lords Jesus Christ our supreme Master Savior and King Sharing his personal testimony of three decades of victory to the glory of Jesus in the word of testimony logos and of the word of faith rhema the author intends to establish the link between the authority of the word logos witnessed through the ages and the circumstances when the Lord delivers his power so as to make us more than conquerors It is essential therefore that each soldier of Christ become a brave warrior who correctly handles the armor of God Each Christian is under the foreknowledge of God from birth to death The heavenly Father knows his children in their mother s womb like Jeremiah Jeremiah 1 5 Thus all who are called are chosen however only a few respond in a positive way to his call This is why Jesus said that a few are the chosen ones as in the case of the warriors who were not prepared for the battle Judges 7 2 9
