More Than Words Volume 2:

More Than Words (Daughters of Amana Book #2) Judith Miller, 2010-09-01 Gretchen Kohler is an Amana storekeeper's daughter with a secret passion for writing. But artistic pursuits are frowned upon in her conservative Amana village so she confines her poems and stories to her journals letting only close friends read them. When a young reporter comes into her store she believes she's found a kindred spirit. She shares a few of her stories with him only to have her trust betrayed in the worst of ways resulting in trouble for her entire community. The scandal is made even worse by the fact that gypsies have camped nearby and seem to be preying upon the Amana's compassionate pacifist nature. Will Gretchen lose her job, her reputation and the love of her childhood beau all because of one bad decision? [Wine, Women and Words Volume 2](#)

Sara M. Junfin Castle, 2013-12-26 A collection of short pieces written over a period of seven years in my writing group Wine Women Words [More Than Words Can Say \(A Patchwork Family Novel Book #2\)](#)

Karen Witemeyer, 2019-06-04 After fulfilling a pledge to a dying friend Zacharias Hamilton is finally free. No family entanglements. No disappointing those around him. Just the quiet bachelor existence he's always craved. Until fate snatches his freedom away when the baker of his favorite breakfast bun is railroaded by the city council. Despite not wanting to get involved he can't turn a blind eye to her predicament or her adorable dimples. Abigail Kemp needs a man's name on her bakery's deed. A marriage of convenience seems the best solution if it involves a man she can control. That person definitely isn't the stoic lumberman who oozes silent confidence whenever he enters her shop. Control Zacharias Hamilton. She can't even control her pulse when she's around him. When vows are spoken Abigail's troubles should be over. Yet threats to the bakery worsen and darker dangers hound her sister. Can she put ever more trust in Zach without losing her dreams of independence? ["Proverbs Speak Louder Than Words"](#)

Wolfgang Mieder, 2008 The ten chapters of Proverbs Speak Louder Than Words present a composite picture of the richness of proverbs as significant expressions of folk wisdom as is manifest from their appearance in art, culture, folklore, history, literature and the mass media. The first chapter surveys the multifaceted aspects of paremiology, the study of proverbs, with the second chapter illustrating the paremiological work by the American folklorist Alan Dundes. The next two chapters look at the effective role that proverbs play in the mass media where they are cited in their traditional wording or as innovative anti-proverbs. The fifth chapter discusses proverbs as expressions of the worldview of New England. This is followed by two chapters on the proverbial prowess of American presidents to wit the proverbial style in the correspondence between John and Abigail Adams and a discussion of Abraham Lincoln's apocryphal proverb "Don't swap horses in the middle of the stream." The eighth chapter traces the tradition of proverb iconography from medieval woodcuts to Pieter Bruegel the Elder and on to modern caricatures, cartoons and comic strips. The last two chapters deal with the origin and history of the proverbial expression to tilt at windmills as an allusion to Cervantes' Don Quixote and the many proverbial utterances in Mozart's letters. The book draws attention to the fact that proverbs as metaphorical signs continue to play an important role

in oral and written communication Proverbs as so-called monumenta humana are omnipresent in all facets of life and while they are neither sacrosanct nor saccharine they usually offer much common sense or wisdom based on recurrent experiences and observations
