Ordóñez-Carrasco,Carla Maria Santos De Carvalho,2025-04-30 The prevalence of mental disorders and their most dramatic extreme suicide is growing at an alarming rate Even developed countries are experiencing a collapse in their general and mental health services with care as it has been known up to the present becoming increasingly important It is a problem difficult to solve at the moment For this reason in recent years experiences have been developed in different countries in terms of training volunteer health promoters coordinated by professionals who work in different areas in terms of early detection providing support and implementing activities that promote wellbeing These experiences have in common the fact that they consider people not so much as patients or users but as agents with the capacity to participate and with the need to acquire and transmit control over their health The aim is to showcase a collection of research articles that report results of the benefits of various actions in which the promotion of mental health becomes a concern of the individual and the community

*Mindfulness, Mind-body Exercises, and Health Promotion* Guodong Zhang, Yang Cao, Zi Yan,2025-02-14 High intensity sports and physical exercise have been linked to various health benefits However when it comes to increasing longevity these activities may not be an ideal option for the general population Mind body exercise which combines physical exercise with mindfulness may be more effective in promoting and restoring health especially for those with chronic symptoms or poor

health conditions Many mind body exercises such as Taichi Qigong Chan Chuang and Yoga have their roots in Eastern cultures They have gained popularity around the world and became a new fashion in the post COVID 19 era These exercises typically help practitioners shift their focus from the outside world past or future to the present moment through gentle body movements Mind body exercises emphasize the body's innate ability to heal itself By disconnecting from the noisy outside world the body is given the opportunity to heal This aligns with the classic belief in Chinese medicine that the body itself is the best medicine The EBay Price Guide Julia L.
