Games Yowei Kang, Kenneth C. C. Yang, Michał Mochocki, Jakub Majewski, Paweł Schreiber, 2024-08-28 This book explores the representations of national Asian histories in digital games. Situated at the intersection of regional game studies and historical game studies, this book offers chapters on histories and heritages of Japan, China, Iran, Iraq, Taiwan, South Korea, Indonesia, Singapore, Turkey, and Russia. The volume looks beyond the diversity of the local histories depicted in games and the audience reception of these histories to show a diversity of approaches which can be used in examining historical games from postcolonialism to identity politics to heritage studies. It demonstrates various methodological approaches to historical regional game studies: case studies of nationally produced historical games that deal with local history; studies of media reception of history; heritage-themed games; text mining methods; studying attitudes expressed by players of such games; and educational perspectives on games in teaching cultural heritage. Through the lens of videogames, the authors explore how nations struggle with the legacies of war, colonialism, and religious strife that have been a part of nation building, but also how victimized cultures can survive, resist, and sometimes prevail. Appealing primarily to scholars in the fields of game studies, heritage studies, postcolonial criticism, and media studies, this book will be particularly useful for the subfields of historical game studies and postcolonial game studies.

Honeymoon Phase Amy Daws, 2025-11-11 Fact or fiction proposing to your best friend so she can inherit her family business is a great idea When Addison Roe Monroe tells me she's going on a husband hunt at the local lumberjack competition so she can inherit her father's lumberyard desperate times call for desperate measures She's sworn off romance Says she's been through enough tragedy So I offer myself as an alternative cause that's what best friends are for But my stubborn friend who would rather drive a forklift than get her nails done refuses to accept my help and now I find myself training to become a lumberjack I refuse to let Roe hitch her wagon to some hulking ax-wielder who might be a serial killer She means too much to me And I swear there are moments where she looks at me like I mean something more to her too On the surface I'm offering a marriage of convenience to protect her But the truth is I'm hopelessly in love with my best friend So if I have to marry her and move her up to Fletcher Mountain just to see if she could love me back so be it Because my only regret would be losing her forever and that's a fact Mountain Men Matchmaker Book 1 Nine Month Contract Book 2 Seven Year Itch Book 3 Honeymoon Phase
