Emerging Technologies, Novel Crimes, and Security Hedi Nasheri, 2024-12-30 This book provides a holistic overview of the complexities of modern technological advances and their implications for crime and security. It examines the societal dilemmas that accompany these technologies, their strategic impact on geopolitics, governments, business, and civil society. The increasingly interconnected world gives rise to novel crimes and creates a new complex set of threats. Understanding this landscape is essential to strategizing for the prevention, protection, mitigation, and risk assessment of technology-related crime. Practical and approachable, this book builds knowledge and awareness of the impact of emerging technologies on crime and security among professionals, students, academicians, researchers, and policymakers.

The Garment Economy Michelle Brandstrup, Léo-Paul Dana, Daniella Ryding, Gianpaolo Vignali, Myriam Caratù, 2023-07-29 This book introduces the reader to the business of clothes with flashbacks into the past, business models of today, and ideas for a sustainable future. Historical perspectives discuss the cotton industry in India, Bangladesh, Greece, and Central Asia, which help trace the evolution of the clothing industry during the 20th century. Chapters also discuss fashion, marketing, greenwashing, blockchain in the fashion supply chain, social media, sustainability issues, and sensory models. Several business models are explained; topics covered include blue ocean strategy, the unstitched market, the luxury sector, access-based consumption, and ethics. Among other topics explored are the future retail experience, consumer value creation, technology, and the impact of virtual atmospheres. The book also includes helpful case studies in understanding the country and culture-specific nuances of the clothing business.
