They say beauty is only skin deep but there is power in embracing your outward beauty as the first step in living with internal boldness, confidence and renewed joy. An outside-in approach to beauty isn't for other people's perception of you but for your interpretation of yourself and how much you're willing to explore. Sachse has confirmed the unmistakable link between external appearance and self-confidence and she wants to show you how to rekindle both. In the pages of this book, Sachse offers a vulnerable look into her own mistakes and imperfections and explains how making over her outward appearance resulted in a happier and healthier version of herself emotionally, spiritually and physically. Filled with confidence-boosting wisdom about cultivating rest and life-giving hobbies, Sachse shows you how making small changes to your outward appearance can be a pathway to building confidence and making other new transformations in your life. Practical tips about hair, makeup and fashion from an expert, the benefits of taking bold risks, your life is too valuable to be left on autopilot, how to analyze your past and see where you self-sabotaged and look for traits that served you well and can serve you in the future. Sachse knows no amount of makeup can compare to the look of a confident, classy and kind woman and that there's nothing like the glow that comes from inner beauty. It's time to discover or rediscover who you really are and live your life to the fullest. *Intermittent Fasting* Emily Moore,2017-07-19 Intermittent Fasting: What is It and Why Should YOU do It?
