 Jyotsna Mohan Bhargava,2020-09-03 In *Stoned Shamed Depressed* journalist Jyotsna Mohan Bhargava investigates the secret  
 lives of India s urban teens and comes up with an eye opening account of struggles with addiction to substances social media  
 and gaming dealing with intense peer pressure bullying and body shaming and the resultant physical and mental health  
 issues This book chronicles the confused journey of Indian teens to adulthood along a road that is full of temptation where  
 boundaries are easily blurred and where the lure of easy adventure often in the virtual world can unleash events that have  
 repercussions for years to come The narrative interweaves accounts of teens parents teachers and child psychologists to  
 reveal a deeply disturbing picture of modern day school life in urban India      Think Before You Like Guy P.  
 Harrison,2017-11-14 At a time when the news cycle turns on a tweet journalism gets confused with opinion and facts are  
 treated as negotiable information applying critical thinking skills to your social media consumption is more important than  
 ever Guy P Harrison an upbeat advocate of scientific literacy and positive skepticism demonstrates how critical thinking can  
 enhance the benefits of social media while giving users the skills to guard against its dangers Social media has more than  
 two billion users and continues to grow Its widespread appeal as a means of staying in touch with friends and keeping up  
 with daily news masks some serious pitfalls misinformation pseudoscience fraud propaganda and irrational beliefs for  
 example presented in an attractive easy to share form This book will teach you how to resist the psychological and behavioral  
 manipulation of social media and avoid the mistakes that millions have already made and now regret Harrison presents  
 scientific studies that show why your subconscious mind loves social media and how that can work against your ability to  
 critically evaluate information Among other things social media reinforces your biases clouds your judgment with images that  
 leave a false impression and fills your brain with anecdotes that become cheap substitutes for objective data The very nature  
 of the technology keeps you in a bubble by tracking your preferences it sends only filtered newsfeeds so that you rarely see  
 anything that might challenge your set notions Harrison explores the implications of having digital friends and the effects on  
 mood self esteem and the cultivation of friendship in the real world He discusses how social media affects attention spans  
 and the ability to consider issues in depth And he suggests ways to protect yourself against privacy invasion cyberstalking  
 biased misinformation catfishing trolls misuse of photos and the confusion over fake news versus credible journalism      Talk
