The Internet Is for Cats Jessica Maddox, 2022-10-14 LOL cats Grumpy Cat Dog rating Twitter Pet Instagram accounts It s generally understood the internet is for pictures of cute cats and dogs and otters and pandas But what motivates people to make and share these images and how do they relate to other online social practices The Internet is for Cats examines how animal images are employed to create a lighter more playful mood uniting users within online spaces that can otherwise easily become fractious and toxic Placing today s pet videos photos and memes within a longer history of mediated animal images communication scholar Jessica Maddox also considers the factors that make them unique She explores the roles that animals play within online economies of cuteness and attention as well as the ways that animal memes and videos respond to

common experiences of life under neoliberalism Conducting a rich digital ethnography Maddox combines observations and textual analysis with extensive interviews of the people who create post and share animal media including TikTok influencers seeking to make their pets famous activists tweeting about wildlife conservation and Redditors upvoting every cute cat photo The Internet is for Cats will leave you with a new appreciation for the human social practices behind the animal images you encounter online
