Business.today Stephen P. Robbins, 2001. Stephen P. Robbins is a best selling author of management and organizational behavior texts. In his new integrative innovative introduction to business text, *Business today*, he uses a reader friendly conversational writing style. This new text is already receiving praise for its integrated emphasis on careers, e-business, technology, ethics, globalization and other evolving issues. Robbins offers comprehensive coverage of traditional functions of business marketing, management, accounting, finance but with a fresh real world format covering the functions where it makes sense just as a business person would encounter them. The innovative approach of *Business today* reflects the immense changes that have occurred in business practices. Robbins demonstrates that the new world of business is about identifying opportunities, creating viable strategies, building relationships and providing quality goods and services. **Business Innovation and Development in Emerging Economies** Irwan Trinugroho, Evan Lau, 2019-05-22. Business innovation driven by the advancement of technology has dramatically changed the business landscape over recent years not only in advanced countries but also in emerging markets. It is expected that business innovation could help achieve economic inclusion which has been a global initiative over the last decade creating opportunities for all people to benefit from the economic development. These proceedings provide an outlet for discussing the importance of business innovation especially in emerging countries in helping to reach inclusive economies. The papers cover the subject areas management, accounting, finance, economics and social sciences.
