## Entrepreneurialism

**Don Liddick**

## **Organized Crime Policing Illegal Business Entrepreneurialism:**

**Organized Crime** Geoff Dean,Petter Gottschalk,Ivar Fahsing,2010 Organized crime in the twenty first century is a knowledge war that poses an incalculable global threat to the world economy and harm to society the economic and social costs are estimated at upwards of 20 billion a year for the UK alone SOCA 2006 7 Organized Crime Policing Illegal Business Entrepreneurialism offers a unique approach to the tackling of this area by exploring how it works through the conceptual framework of a business enterprise Structured in three parts the book progresses systematically through key areas and concepts integral to dealing effectively with the myriad contemporary forms of organised crime and provides insights on where how and when to disrupt and dismantle a criminal business activity through current policing practices and policies From the initial set up of a crime business through to the long term forecasting for growth and profitability the authors dissect and analyse the different phases of the business enterprise and propose a Knowledge Managed Policing KMP approach to criminal entrepreneurialism Combining conceptual and practical issues this is a must have reference for all police professionals policing academics and government policy makers who are interested in a Strategy led Intelligence supported Knowledge Managed approach to policing illegal business entrepreneurialism    *Organized Crime* Geoff Dean,Ivar Fahsing,Petter Gottschalk,2011    Financing of Organised Crime Center for the Study of Democracy,University of Trento,Teesside University,2015 The report Financing of Organised Crime contributes to a better understanding of the financial aspects of organised crime The analysis explores topics such as the sources and mechanisms for financing organised crime settlement of payments access to financing in critical moments costs of business and the management of profits Drawing on the results of the analysis the report also suggests possible new approaches to tackling organised crime

Rethinking Organised Crime Leslie Holmes,2024-05-02 A complex phenomenon which has undergone significant changes in the past forty years Leslie Holmes argues that organised crime is in need of re conceptualisation This innovative book navigates the evolution of this issue to grasp its full scope in the twenty first century    A Research Agenda for Organised Crime Barry Rider,2023-03-02 This insightful Research Agenda explores the varied manifestations of organised crime both on the street and through transnational enterprises and reveals its impact on the integrity of the financial system Leading academics identify measures which would disrupt and discourage these threats however sophisticated and consider avenues for future research    **Entrepreneurship and Organised Crime** Petter Gottschalk,2009-01-01 Entrepreneurship and Organised Crime provides a much needed and original overview of the boundary between legal and illegal entrepreneurship It will appeal to a wide variety of readers interested in new perspectives on entrepreneurship The text is clearly structured and systematically explores the basics of organised crime as an entrepreneurial business enterprise Petter Gottschalk draws upon several theoretical strands including organisational sociological managerial historical and practical perspectives in providing an insight into organised crime activity Julia Davidson Kingston University UK Entrepreneurship and Organised

Crime tarnishes the conventional clean and wholesome depiction of entrepreneurs by bringing to life the lived and messy realities of entrepreneurs who operate illegal businesses Moving beyond the standard textbook positive and celebratory portrayal of entrepreneurs this volume addresses in a highly readable manner both the entrepreneurial aspects of criminal endeavour as well as the criminal aspects of entrepreneurial endeavour It is an essential and compelling read for scholars of entrepreneurship and criminology Colin C Williams University of Sheffield UK Entrepreneurship and Organised Crime provides a fresh and realistic insight into the problem of organised crime activity and the role of entrepreneurs in illegal business Petter Gottschalk takes a close look at how some entrepreneurs choose to develop criminal business enterprises Stage models for criminal entrepreneurs are presented and entrepreneurial leadership and management are discussed This book illustrates how so many issues for entrepreneurs and entrepreneurship are similar in legal and illegal business At the same time all the cases in the book show how different many of the individual criminal entrepreneurs are In sum this book provides a pragmatic view of another kind of entrepreneurship not frequently discussed in a neutral way This book will be warmly welcomed by scholars and researchers looking for a different perspective of entrepreneurship or interested in criminology This will also be a good reference tool for students at police academies

*An Ontology of Organized Crime*

Stephen Schneider, 2024-11-29 One of the most elusive pursuits in the study of organized crime is developing a definition description or conceptual model that captures its complexity diversity and ever changing nature This book takes a comprehensive approach to unraveling the intricacies and variations of organized crime providing a detailed account of its many attributes Based on a review of the theoretical literature the author has created a holistic typology essential to understanding organized crime The typology comprises 28 attributes divided into five thematic categories associational the relationship among the offenders that leads to some discernible structure commercial revenue generating crimes operational support functions and expenditures institutional factors that sustain a criminal association and activities over time and cultural behavioral the norms values and codes of organized crime and how they affect the actions of offenders These categories are not simply used to classify the different attributes each one represents a structural pillar of an organized criminal association As a meta analytical framework the typology is the first to incorporate the foremost ways in which organized crime has been conceptualized in the literature as an association of offenders the crimes perpetrated how organized crimes are carried out and as a form of underworld governance The book also adapts the static typology into a flexible and testable conceptual model that recognizes the many variations among organized criminal associations and which can be used to determine when a group of offenders constitutes organized crime Besides their theoretical and empirical purposes the typology and conceptual model have been constructed as applied frameworks for informing strategic enforcement setting priorities tactical enforcement targeting and denigrating the structural pillars of an organized criminal association and policy purposes as a basis for a comprehensive multi sectoral control plan This book is invaluable for

students and scholars studying organized crime as well as criminal justice professionals looking for guidance on enforcement strategies and public policies *Entrepreneurship in Policing and Criminal Contexts* Robert Smith,2021-03-25

Entrepreneurship in Policing and Criminal Contexts explores the contemporary and under researched themes of entrepreneurial policing and entrepreneurialism in criminal justice contexts which are emerging topics of both theoretical and practical interest in the current rapidly changing criminal justice environment *Countering Terrorist and Criminal Financing* Scott N Romanuk,Christian Kaunert,Amparo Pamela H Fabe,2023-11-09 Countering Terrorist and Criminal Financing provides an up to date overview and critical analysis of terrorism financing focusing on tactics and practical measures directed at preventing money laundering and countering the flow of terrorism funding In doing so the book details some of the major doctrines outlining policies of states and key regional and global partnerships in Europe Asia North America South America the Middle East and Africa Chapters bring together a diverse range of expert scholars and practitioners who specialise in theoretical principles utilising empirical research and an analysis of the cross national networks and cross group collaborations that underpin the illicit activities that fund such groups The book serves as the most current and comprehensive resource in the area of countering the financing of terrorism and organised crime incorporating regional and group specific approaches challenges and consequences This focus encompasses legal measures social policies and military operations and security force responses by states and non state actors to assemble the most up to date counter terrorist financing information into a single volume

### **The Human Factor of Cybercrime** Rutger Leukfeldt,Thomas J.

Holt,2019-10-11 Cybercrimes are often viewed as technical offenses that require technical solutions such as antivirus programs or automated intrusion detection tools However these crimes are committed by individuals or networks of people which prey upon human victims and are detected and prosecuted by criminal justice personnel As a result human decision making plays a substantial role in the course of an offence the justice response and policymakers attempts to legislate against these crimes This book focuses on the human factor in cybercrime its offenders victims and parties involved in tackling cybercrime The distinct nature of cybercrime has consequences for the entire spectrum of crime and raises myriad questions about the nature of offending and victimization For example are cybercriminals the same as traditional offenders or are there new offender types with distinct characteristics and motives What foreground and situational characteristics influence the decision making process of offenders Which personal and situational characteristics provide an increased or decreased risk of cybercrime victimization This book brings together leading criminologists from around the world to consider these questions and examine all facets of victimization offending offender networks and policy responses Chapter 13 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license *Police Work* Colin Rogers,Rhobert Lewis,Tim John,Tim Read,2011-05-23 This book provides a highly readable account of police work It builds upon Introduction to Police

Work Rogers and Lewis 2007 to provide a comprehensive in depth and critical understanding of policing in today's diverse society Police Work Principles and Practice meets the need for an increasingly sophisticated and professional approach to training within the police whether this is carried out within police forces themselves or within higher education institutions Written in an accessible style by current and former police practitioners and a nationally recognized expert on the National Intelligence Model this book focuses in line with the government's agenda for workforce modernization on three key areas of policing community investigation and intelligence It introduces readers to many important areas through the use of definition boxes scenario boxes highlighting good practice points to note boxes flowcharts and diagrams as well as a wide range of questions and exercises to help apply their knowledge to different situations and scenarios This book will be essential reading for those on probationer training programmes and a valuable resource for students taking courses in policing and criminology more generally where an advanced level of understanding of the nature of police work is required

**Organized Crime** Michael D. Lyman, Gary W. Potter, 1997 This study provides a comprehensive overview of organized crime explaining the concept and the theories of organized crime and criminal behaviour This text covers several topics including the definition of organized crime some theories to explain it its businesses history participants both domestic and foreign groups political and corporate alliances and methods for controlling it An Empirical, Theoretical, and Historical Overview of Organized Crime Don Liddick, 1999 Part I analyzes the public's perception of organized crime discusses common myths describes the most important attributes addresses issues related to definition and provides an in depth look at contemporary global criminal enterprises Part II is a history of organized crime in the United States from colonial America to the present day It includes descriptions of the principal enterprises of how American organized crooks operate stresses the evolving nature of the phenomenon and discusses the integral part played by political and economic elites Part III focuses on theoretical issues describes the sociological foundation the development of organized crime theories and major organized crime paradigms

**Organized Crime in Europe** Petrus C. van Duyne, 1996 This book concerns an insufficiently recognized form of organized crime crime enterprises operating on the legitimate market under the veil of respectable companies The volume concentrates on the situation in the European Union **Organized Crime** Nikos Passas, 1995 This work on organized crime encompasses methodological problems in the study of organized crime itself crime as a way of life in America a family case study arson and urban economy corruption in agencies of social control Canadian reflections on the Finsbury Park experience and drugs The Federal Effort Against Organized Crime United States. Congress. House. Committee on Government Operations. Legal and Monetary Affairs Subcommittee, 1967 Journal of the West Lorri L. Morrison, Carroll Spear Morrison, 1995 Birthplace of Aluminum, Cradle of Crime Jeanine Mazak-Kahne, 2009

**Organised Crime in the SADC Region** Peter Gastrow, 2001 **RDC Research Programme**, 1991
