

For the new edition of *Handbook of the Standard Chinese Language* the standard form of the language is the one used in the People's Republic of China.

As a professional in the field, how important is it for you to have a clear understanding of the concepts and tools of the profession? What will this require of you? If the answer is that it will be clear, the question will have addressed the question of what you will be able to do with the knowledge you have. Below, indicate the person to whom you will be able to relate the concepts and tools of the profession. If you are not able to relate to any of the people listed, write _____ next to the above table. The individual(s) who have been assigned to you will be asked to do the same.
