**The Everyday Lives of Children Who Have Experienced Domestic Abuse** Brenda Herbert,2026-02-19

Discussions on children who have experienced domestic abuse often focuses on trauma and risks and little is known about their lives beyond abuse This risks pathologising children and reinforcing colonial and patriarchal social norms This groundbreaking book challenges dominant narratives by drawing on an 18 month multimodal ethnography with children in an inner London borough Offering a radical and holistic perspective on children's personhood this book situates their everyday lives within broader global debates on childhood decolonisation and social justice It engages with the works of Black feminist decolonial and Indigenous scholars calling for a fundamental rethinking of how we support and understand children who have experienced domestic abuse

**Totally Normal** Emily Dempster,2025-09-01 Being a bit weird can be a lot wonderful Hilarious fiction about family friends and a fool proof plan For fans of Dork Diaries Tom Gates and Wimpy Kid Children are like pancakes the first one is always a bit weird Well the first pancake in my family is me Ellie finds it hard to focus on boring stuff like homework and chores She would much rather hang out with her BFFFL Arya or play improv games in drama class Mum and Dad want Ellie to be more like her eight year old brother Stewart or as Ellie likes to call him Mr Perfect But Ellie has a truly excellent fool proof plan to get out of doing homework chores and school for good she's going to become a famous teenage pop star

**Child Protection and Safeguarding Technologies** Maggie Brennan,Andy Phippen,2019-08-22 This book explores through a children's rights based perspective the emergence of a safeguarding dystopia in child online protection that has emerged from a tension between an over reliance in technical solutions and a lack of understanding around code and algorithm capabilities The text argues that a safeguarding dystopia results in docile children rather than safe ones and that we should stop seeing technology as the sole solution to online safeguarding The reader will through reading this book gain a deeper understanding of the current policy arena in online safeguarding what causes children to become upset online and the doomed nature of safeguarding solutions The book also features a detailed analysis of issues surrounding content filtering access monitoring surveillance image recognition and tracking This book is aimed at legal practitioners law students and those interested in child safeguarding and technology
