The Penguin Book of Russian Poetry Robert Chandler, Irina Mashinski, Boris Dralyuk, 2015-02-26 An enchanting collection of the very best of Russian poetry edited by acclaimed translator Robert Chandler together with poets Boris Dralyuk and Irina Mashinski In the late eighteenth and early nineteenth centuries poetry's pre-eminence in Russia was unchallenged with Pushkin and his contemporaries ushering in the Golden Age of Russian literature Prose briefly gained the high ground in the second half of the nineteenth century but poetry again became dominant in the Silver Age the early twentieth century when belief in reason and progress yielded once more to a more magical view of the world During the Soviet era poetry became a dangerous subversive activity nevertheless poets such as Osip Mandelstam and Anna Akhmatova continued to defy the censors This anthology traces Russian poetry from its Golden Age to the modern era including work by several great poets Georgy Ivanov and Varlam Shalamov among them in captivating modern translations by Robert Chandler and others The volume also includes a general introduction chronology and individual introductions to each poet Robert Chandler is an acclaimed poet and translator His many translations from Russian include works by Aleksandr Pushkin Nikolay Leskov Vasily Grossman and Andrey Platonov while his anthologies of Russian Short Stories from Pushkin to Buida and Russian Magic Tales are both published in Penguin Classics Irina Mashinski is a bilingual poet and co-founder of the StoSvet literary project Her most recent collection is 2013's *Ophelia* Irina Mashinski is a master of Ophelia and the Trowel Boris Dralyuk is a Lecturer in Russian at the University of St Andrews and translator of many books from Russian including most recently Isaac Babel's *Red Cavalry* 2014

The Oxford Handbook of the Russian Novel Julie A. Buckler, Justin Weir, 2025 The Oxford Handbook of the Russian Novel brings together top specialists in Russian literature to treat the Russian novel from the late 18th to the 21st century using a range of interpretive perspectives The Russian novel is a distinctive tradition by virtue of its formal eccentricities as well as the boldness with which these works approached the most complex philosophical political and moral questions This Handbook treats well-known works and authors but also explores the much broader tradition of the Russian novel up to the present The essays in the Handbook provide cultural and historical perspectives on the Russian novel as well as showcasing emergent modes of analysis including postcolonialism ecocriticism and posthumanism Tolstoy in Context Anna A. Berman, 2022-12-22 Likened to a second Tsar in Russia and attaining prophet-like status around the globe Tolstoy made an impact on literature and the arts religion philosophy and politics His novels and stories both responded to and helped to reshape the European and Russian literary traditions His non-fiction incensed readers and drew a massive following making Tolstoy an important religious force as well as a stubborn polemicist in many fields Through his involvement with Gandhi and the Indian independence movement his aid in relocating the Doukhobors to Canada his correspondence with American abolitionists and his polemics with scientists in the periodical press Tolstoy engaged a vast array of national and international contexts of his time in his life and thought This volume introduces those contexts and situates Tolstoy the man and the writer
