Mediaweek

,2008 **Adweek** ,2008 **Marketing Management** Philip Kotler,2009 Marketing Management An Asian Perspective has been successful in offering a learning product that combines the excellent content that Kotler has done with examples and case studies from a relevant Asian viewpoint The 5th Edition builds on the strengths of the previous editions with an

emphasis on highlighting emerging market trends to help students stay relevant in today's fast changing marketing environment. Marketing Management is typically taught through case studies and is application oriented. It is therefore important to showcase companies and brands that have been successful in their marketing strategies. An effort has been made to ensure that familiar Asian and international brands/companies are featured. This enables students to relate to the analyses of these case studies and vignettes. *Telecommunications Development in Asia* John Ure, 2008. The book provides a completely new and comprehensive analysis of the policies adopted throughout the region that have led to the explosive growth of this sector.
