Understanding Video Games Simon Egenfeldt-Nielsen, Jonas Heide Smith, Susana Pajares Tosca, 2024-05-08 The fifth edition of this pioneering textbook takes video game studies into the next decade highlighting changes in mobile social and casual gaming. This book introduces students to both the major theories used to analyze games such as ludology and narratology and the commercial and organizational aspects of the game industry. Drawing from historical and contemporary examples this student friendly text also explores the aesthetics of games evaluates the cultural position of video games and considers the potential effects of both violent and serious games. This new edition includes updates to the history statistics and developments in the vast game studies landscape throughout. The book has been expanded with additional theory research and insights from scholars around the world making it more inclusive and broadening its global perspective. Extensively illustrated and featuring discussion questions a glossary of key terms and a detailed video game history timeline. Understanding Video Games Fifth Edition is an indispensable resource for anyone interested in examining the ways video games are reshaping entertainment education and society.

Netflix, Dark Fantastic Genres and Intergenerational Viewing Djoymi Baker, Jessica Balanzategui, Diana Sandars, 2023-07-04 Focusing on Netflix's child and family orientated platform exclusive content this book offers the first exploration of a controversial genre cycle of dark science fiction horror and fantasy television under Netflix's Family Watch Together TV tag. Using a ground breaking mix of methods including audience research interface and textual analysis the book demonstrates how Netflix is producing dark family telefantasy content that is both reshaping child and family friendly TV genres and challenging earlier broadcast TV models around child appropriate family viewing. It illuminates how Netflix encourages family audiences to watch together through intergenerational dynamics that work on and offscreen. The chapters in this book explore how this Netflixication of family television developed across landmark examples including Stranger Things A Series of Unfortunate Events The Dark Crystal Age of Resistance and even Squid Game. The book outlines how Netflix is consolidating a new dark family terrain in the streaming sector which is unsettling older concepts of family viewing leading to considerable audience and critical confusion around target audiences and viewer expectations. This book will be of particular interest to upper level undergraduates graduates and scholars in the fields of television studies screen genre studies childhood studies and cultural studies.

Survey of Media Stacey O. Irwin, 2024-09-10 An accessible and exciting new textbook that provides students with an in depth historical and conceptual understanding of the nature and function of media in society. Stacey O Irwin contextualizes media objects and experiences including cinema TV phones gaming radio and podcasting journalism publishing advertising and more into three descriptive sections screens sounds and synergies. The text examines how technology is enfolded into the cultural process of contemporary media experience exploring topics such as social media augmented reality and other trends from the metaverse. It also reflects on the impact of legacy media and highlights instrumental moments in media history.

along the way By examining media history from the perspective of future decision making this textbook explores how media technologies have a positive and negative sociocultural impact This provides students with a more accessible entry point to the topic and readers are left with a well rounded understanding of media and the interplay between media culture technology and society Each chapter concludes with things to consider and additional takeaways to enhance student learning This is an essential text for students taking classes such as Introduction to Mass Media Survey of Media Media History Media and Society and Media Culture
