**Race in Modern Irish Literature and Culture** John Brannigan, 2020-01-19 This book sets out to expose through a combination of literary cultural and historical analysis the fictive nature of Irish monoculturalism and to probe figurations of racial identity racial difference and foreignness in Irish culture *Catholic Parish Life on Florida's West Coast, 1860-1968* Michael J. McNally, 1996 *The History of Handball at Texas A&M University* Don Johnson, 2023-01-17 Hitting a ball with the hand Handball is the oldest sport known to mankind It has been almost 100 years since handball was introduced as an intramural sport at Texas A M This book connects a tie to those who helped handball along the way even before handball became a sport there and takes the reader through the years to the spring of 2022 Part of the history of handball is told in personal stories from those who have played at Texas A M and the impact handball had on their lives and their lifetime achievements Another part of the history includes a history of the Texas A M courts coaches and Intramural Directors With a rich history that has produced 26 players who have reached the All American level and some who went on to become the world s best this story needed to be recorded **Ten Years of Irish Publishing** ,2000 CD ROM contains bibliographic listings with title author publisher pages price ISBN and date **Florida History** Michael H. Harris, 1972 *Pickett's Charge at Gettysburg* James A. Hessler, Wayne Motts, 2015-06-19 A battlefield guide to the sites and history of the climactic attack during the American Civil War s Battle of Gettysburg 150 years after the event the grand near suicidal attack against the Union position on Cemetery Ridge still emotionally resonates with Gettysburg enthusiasts like no other aspect of the battle On the afternoon of July 3 Confederate Gen Robert E Lee ordered more than 12 000 Southern infantry to undertake what would become the most legendary charge in American military history This attack popularly but inaccurately known as Pickett s Charge is often considered the turning point of the Civil War s seminal battle of Gettysburg Although much has been written about the battle itself and Pickett s Charge in particular Pickett s Charge at Gettysburg is the first battlefield guide for this celebrated assault After the war one staff officer perceptively observed that the charge has been more criticized and is still less understood than any other act of the Gettysburg drama Unfortunately what was true then remains true to this day The authors of this book two of Gettysburg s elite Licensed Battlefield Guides along with one of the Civil War s leading cartographers have corrected that oversight Grounded in the premise that no better resource exists for understanding this unique event than the battlefield itself Pickett s Charge at Gettysburg encourages its readers to explore this storied event from a wide variety of perspectives For the first time readers can march toward the Copse of Trees with Armistead s Virginians advance on the Confederate left with Pettigrew s North Carolinians or defend the Angle with Alonzo Cushing s gunners and thousands of Union soldiers There is much here to enrich the experience including dozens of full color original maps scores of battlefield and other historic photographs a unique mix of rare human interest stories a discussion of leadership controversies and a rare collection of artifacts directly related to the charge Pickett s Charge at Gettysburg is

designed for readers to enjoy on or off the battlefield and will give Civil War enthusiasts an entirely new appreciation for and understanding of Gettysburg s third day of battle Extremely well done designed as a tour guide to the area of the battlefield where the famous July 3 1863 Confederate assault on the center of the Union Line took place the heart of any tour guide is maps and that feature is served up in exemplary fashion here far more than just maps The two text authors are battlefield guides and the detail provided is immense strongly recommended Civil War News      **The Best Books for Academic Libraries: World history** ,2002 Books recommended for undergraduate and college libraries listed by Library of Congress Classification Numbers      The Past and Present of Kane County, Illinois Henry B.
