Michigan's Top Fishing Maps:

Michigan's Top Fishing Maps Chuck Lichon, 2013-09 Thousands of lakes and streams await anglers in Michigan State pick almost any spot on the map and chances are there's a fishing spot nearby. But the fun and challenge is in catching fish not just searching for them. Now with Michigan's Top Fishing Maps finding and catching fish just got a whole lot easier. Fresh water trout, salmon, steelhead, bass, walleye, the opportunities are endless. Michigan native Chuck Lichon takes the guess work out of fishing some of Michigan's top rivers and lakes including areas of Huron, Superior, Erie and Michigan lakes. Each river and lake is individually covered. Lichon discusses fish species and average size, seasonal availability, run timing, most productive techniques, best tackle and flies, shore and boat access, known structure such as sunken islands and drop offs, and much more. You'll also find everything you need to plan a successful fishing trip, local hotels, lodges, and B campgrounds, National Parks and Ranger Stations, guides, tackle and fly shops, sporting goods stores, restaurants, chambers of commerce and visitor's centers. The amount of information is incredible. The 86 detailed maps alone are worth the price of this book.
