AIP OR

To whom it may concern,

I would like to recommend Megan Hellrung for her Level III certification. Megan has been on staff in the AIP OR for two years and within those two years she has grown in her role as a Level II nurse and has taken on leadership roles to help improve our unit. She is a knowledgeable member of our Spine Team and has played a vital role in the orientation of new staff to this specialized team. She often floats to other OR specialties and displays role model work standards in her ability to think ahead, plan and implement care for complex patients. She often finds herself in the preceptor role on specialty services that are not her home service, and does a wonderful job guiding staff in what they need to know. She is always seeking information for what she does not know, and strives to provide safe, top notch patient care. She has routinely been sought out by newer staff as someone to go to for information, help and encouragement.

Megan took her role in precepting for both the scrub role as well as the nurse role to the next level by identifying the need for standardization within our preceptor roles in the OR. After an enormous amount of work and effort on her part, our unit now has an official Preceptor Council, of which she sits as co-chair, as well as a specialized preceptor class geared towards the unique needs and dynamic environment of the OR. Because of her efforts our preceptors are now better equipped to educate and guide new staff through the orientation process.

Thank you for your time and consideration,

Jennifer Ward RN, BSN
