Nypd A Routine Dead On Arrival:

Fairness and Crime Mark S. Davis,2024-03-12 Criminology the discipline that informs our understanding of crime and justice is facing an identity crisis Long dominated by sociology s view of crime and its causes criminology has recently witnessed the rise of a new cadre of academics who feel free to explore other explanations Fairness and Crime A Theory offers a comprehensive new perspective on criminal behavior that will reinvigorate the field and help us understand why we consider some acts criminal as well as why and how society should respond to those acts In this book Mark S Davis connects the challenges of understanding crime and administering justice to common norms that guide behavior in everyday life He contends that the exchanges society defines as criminal work basically the way all other exchanges and when offenders rob banks bilk investors or fabricate scientific data they engage in a violation of fairness norms Davis offers a theory that is informed by insights from game theory research anthropology law industrial organizational psychology personality social psychology and sociology He utilizes examples drawn from everyday life to illustrate the theory s concepts in detail Fairness and Crime A Theory provides a platform from which to explore the purposes of the criminal justice system What are we trying to accomplish when we prosecute criminal suspects While one answer is that we are trying to vindicate the moral order and deter future offending another is that we are attempting to restore equity for victims caused by offenders exploitative or retaliatory behavior Davis contends that addressing unfairness is what the criminal justice system should be about In rehabilitation we should be trying to inculcate fairness norms where they are absent or where they have been compromised

Billionaire's Regret Finding Her Willi Huma,2025-09-28 Five years ago a devastating fire took her loved ones and burned away her past Now she returns with her twin children no longer powerless but a secret venture capital mogul and world class designer ready to strike back humiliate her enemies protect her children and reclaim everything that was stolen from her By a twist of fate she becomes the bride of Sebastian Vanderbilt He is the most cold and domineering man in the entire empire never getting close to women but an accident bound him to her in marriage During the day he s cold and irritable but at night he holds her tightly backing her into a corner with a mix of dominance and tenderness whispering soft demands and kissing her lips as if he wants to engrave her into his very soul Baby tell me you love me For the rest of your life be only mine alright Once a man who looked down on everything now his heart and eyes are filled with only her As secrets unravel hidden heirs and deadly conspiracies threaten everything and in the midst of love revenge and power nothing will ever be the same Book 1 Chapter 1 45

The Killing Fields of East New York Stacy Horn,2025-01-28 In this groundbreaking work of investigative journalism and true crime Stacy Horn sheds light on how the subprime mortgage scandal of the 1970s and a long history of white collar crime slowly devastated East New York a Brooklyn neighborhood that would come to be known as the Killing Fields On a warm summer evening in 1991 seventeen year old Julia Parker was murdered in the Brooklyn neighborhood of East New York An area known for an exorbitant level of violence and crime East

New York had come to be known as the Killing Fields In the six months after Julia Parker's death 62 more people were murdered in the same area In the early 1990s murder rates in the neighborhood climbed to the highest in NYPD history East New York was dying But how did this once thriving diverse family neighborhood fall into such ruin The answer can be found two decades earlier In response to redlining and discriminatory housing practices the Johnson administration passed the Housing and Urban Development Act in 1968 The Federal Housing Authority aimed to use this piece of legislation to help low income families of color finally achieve homeownership But they could never have predicted how banks lenders realtors and corrupt FHA officials themselves would use the newly passed law to make victims of the very people they were supposed to help and the devastation they would leave in their wake A compulsively readable hybrid of true crime and investigative journalism The Killing Fields of East New York reveals how white collar crime reduced a prospering neighborhood to abandoned buildings and empty lots Following the dual threads of the hunt for the network of criminals behind the first subprime mortgage scandal and the ensuing downfall of East New York Stacy Horn weaves a compelling narrative of government failure a desperate community and ultimately the largest series of mortgage fraud prosecutions in American history The Killing Fields of East New York deftly demonstrates how different types of crime are profoundly entangled and how the crimes committed in nice suits and corner offices are just as destructive as those committed on the street

New York Magazine, 1996-11-18 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

The Top Books of the Year Nypd A Routine Dead On Arrival The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have captivated audiences this year. *Nypd A Routine Dead On Arrival* : Colleen Hoovers "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. *Uncover the Best* : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. *Discover the Magic* : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. *The Secret History* is a exceptional and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
