Cortland Eyer,1929      *Obsession* Hope Redgrave,2025-06-17 What happens when Life and Death collide As the Embodiment of Life Aveoth must preserve the living and continue his legacy His existence is governed by these two purposes But questions of morality began to creep into his mind and his once clear path becomes increasingly blurred Everything he once knew changes when he finally meets her Raizel the Embodiment of Death Trained from childhood Raizel moves through existence detached from most emotions and living in silent obedience Love hate sorrow despair and most other emotions are foreign to her But someone breaks through her cold existence a man who claims to love her Yet his twisted devotion is marked by merciless and ritualistic murders The more Aveoth and Raizel work together to unveil the mystery the more they are haunted by the corpses that are left behind Each death began to pull them closer to the truth and to each other The killings are personal and the killer s obsession with Raizel is unmistakable Yet beneath the surface of their search something far darker prevails a growing tension which suggests the killer may be closer than either of them realizes Is it affection or madness As the line between love and obsession blurs Aveoth and Raizel begin to wonder What if the killer isn t an outsider but someone close to them much closer And if that s true how long until their identity comes to light In a universe where Life and Death are bound by their own destiny can they uncover the real murderer before the next victim falls Or is the answer one neither of them is prepared to face      **Obsession** Jonathan Kellerman,2008-07-03 Just before she died Patty Bigelow confessed to having killed a man Now her niece Tanya is obsessed with finding out the truth about her aunt s crime and she needs Alex Delaware s help      **Obsessed** Kandy Kaine,2019-10-18 Have you ever seen somebody that was so fine that you just couldn t get them out of your mind Have you ever wanted somebody that wasn t yours Nobody really cares who s off limits nowadays At the workplace you are supposed to conduct yourself in a professional manner But when sexual attractions are at an all time high affairs are bound to happen Shyanne always wanted what she couldn t have When a woman that feels

like she has nothing to lose sees a man that is off limits it just does something to her inner self Nothing can get her to stop nor convince her that what she is doing is wrong Not even the slightest confrontation will be a red light for determined affection When you re obsessed with someone you stop at nothing to get that attention Going through their trash sitting outside their house showing up unannounced and even breaking and entering Obsession can be a deadly mental disease It can be innocent or it can turn into something more sinister Will Shyanne back off or become her boss s worse nightmare
