The Enneagram Richard Rohr, Andreas Ebert, 2001 Richard Rohr and Andrea Ebert s runaway best seller shows both the basic logic of the Enneagram and its harmony with the core truths of Christian thought from the time of the early Church forward

Personality Types Jacob M Romo, 2022-09-04 This is the comprehensive guide to using this ancient psychological approach to acquire self awareness and personal improvement The Enneagram is a fantastic framework for learning more about ourselves We uncover novel combinations of new and old concepts no matter which angle we approach it from I have always had a fascination for the enneagram thus I wanted to share this incredibly powerful spiritual tool with as many people as possible The enneagram is a powerful spiritual instrument that may enable you to increase self awareness peace of mind and more compassion for yourself and others Its history is uncertain but is often assumed to originate in the old Sufi traditions It was updated and developed as it has been rediscovered in the West throughout the last century The enneagram is built upon the same assumption that is shared by all mystical traditions including Unity that the most basic issue the core cause of all of our suffering is that we are not who we imagine ourselves to be The great majority of us are connected with the personality the self we have been trained to be by our family and society But the personality is not who we truly are in truth we are spiritual beings dwelling on a level beyond time and space As humans we perceive our world via the medium of body and intellect yet we are true to nature goes way beyond this realm
