J. Ross, Leslie J. Francis, 2019-10-28 In *Personality Religion and Leadership* Christopher F J Ross and Leslie J Francis illustrate how Jungian archetypes can help religious leaders understand and deal with their personal spiritual journeys in times of stress and success and build strong religious communities that contain a diverse array of psychological types Religious Leadership Sharon Henderson Callahan, 2013-06-20 This title tackles issues relevant to leadership in the realm of religion It explores such themes as the contexts in which religious leaders move leadership in communities of faith leadership as taught in theological education and training religious leadership impacting social change and social justice and more Topics are examined from multiple perspectives traditions and faiths
