The Woman's Study Bible poignantly reveals the Word of God to women inviting them to receive God's truth for balance, hope and transformation. Special features designed to speak to a woman's heart appear throughout the Bible text revealing Scripture-based insights about how godly womanhood grows from a woman's identity as a Christ follower and a child of the Kingdom. Now with a beautiful full color redesign, The Woman's Study Bible reflects the contributions of over 80 women from a wide variety of ethnic, denominational, educational and occupational backgrounds. Since the publication of the first edition of The Woman's Study Bible under the editorial guidance of Dorothy Kelley Patterson and Rhonda Harrington Kelley, this landmark study Bible has sold over 1.5 million copies. Features include beautiful full color design throughout, detailed biographical portraits of over 100 biblical women, thousands of extensive verse-by-verse study notes, over 300 in-text topical articles on relevant issues, insightful essays by women who are recognized experts in the fields of theology, biblical studies, archaeology and philosophy, book introductions and outlines, hundreds of full color in-text maps, charts, timelines and family trees.
