Peter Maurin Apostle To The World:

Peter Maurin Dorothy Day, Francis J. Sicius, 2004 Dorothy Day provides the most complete intimate portrait of the man she called an Apostle to the world Maurin emerges as a true saint and prophet who offers an instructive and healing challenge for our time Renewing Our Hope Robert Barron, 2020-08-12 In a time of discouragement how can the Church renew itself and its outreach to all people Bishop Robert Barron Auxiliary Bishop of the Archdiocese of Los Angeles insists that a dumbed down Catholicism cannot succeed in today's highly educated society instead the Church needs to draw upon its great theological heritage in order to renew its hope in Christ With Renewing Our Hope Essays for the New Evangelization Bishop Barron traces this renewal through four stages Renewing Our Mission lays out the challenges that call for Catholics to become more aware of their own intellectual resources in encountering the Nones Renewing Our Minds showcases the importance of theological reflection as a font of wisdom and sanity in the Church touching on Thomas Aquinas Hans Urs von Balthasar the recently canonized John Henry Newman and Pope Francis In Renewing the Church he proceeds to look at how Scripture the family the seminary and Catholic college graduates can each contribute to this renewal Finally in Renewing Our Culture he returns to the judgments Catholics must make in assessing contemporary culture specifically family life liberalism relativism and surprisingly the beauty of cinema Bishop Barron known as the host of the Catholicism PBS video series was previously rector and professor of systematic theology at Mundelein Seminary outside Chicago Illinois He demonstrates again in Renewing Our Hope his ability to make the fruits of his wide reading accessible to a broad audience while still giving his academic colleagues much to consider **Dorothy Day** John Loughery, Blythe Randolph, 2021-03-02 Magisterial and glorious Pittsburgh Post Gazette the first full authoritative biography of Dorothy Day American icon radical pacifist Catholic convert and advocate for the homeless is a vivid account of her political and religious development Karen Armstrong The New York Times After growing up in a conservative middle class Republican household and working several years as a left wing journalist Dorothy Day converted to Catholicism and became an anomaly in American life for the next fifty years As an orthodox Catholic political radical and a rebel who courted controversy she attracted three generations of admirers A believer in civil disobedience Day went to jail several times protesting the nuclear arms race She was critical of capitalism and US foreign policy and as skeptical of modern liberalism as political conservatism Her protests began in 1917 leading to her arrest during the suffrage demonstration outside President Wilson's White House In 1940 she spoke in Congress against the draft and urged young men not to register She told audiences in 1962 that the US was as much to blame for the Cuban missile crisis as Cuba and the USSR She refused to hear any criticism of the pope though she sparred with American bishops and priests who lived in well appointed rectories while tolerating racial segregation in their parishes Dorothy Day is the exceptional biography of a dedicated modern day pacifist an outspoken advocate for the poor and a lifelong anarchist This definitive and insightful account is a monumental exploration of the life

legacy and spirituality of the Catholic activist Spirituality Practice **American Catholic Studies** ,2005 *The Catholic Library World* ,2004 *Catholicism and Historical Narrative* Kevin Schmiesing,2014-01-30 Stories about the past shape not only the way people think about history but also the way they act in the present Nowhere is this truer than in the area of religion which has been and continues to be a powerful motivating force in the lives of billions around the globe In this volume Catholicism and Historical Narrative A Catholic Engagement with Historical Scholarship contributors explore the way stories are constructed and show how a focus on Catholic figures and concerns challenges common understandings of important historical episodes and eras Editor Kevin Schmiesing has gathered a distinguished group of scholars who in various ways call into question conventional story lines by highlighting previously neglected Catholic ideas and individuals Built on ample evidence and employing keen insight each essay is the result of cutting edge research in fields ranging from historical research on Puritan New England and the antebellum South to the history of abortion to the twentieth century papacy Students and scholars of religious history Catholic historians and anyone interested in the intersection of religion and history will all find here much to interest and maybe even surprise in the chapters arguments concerning the deficiencies of history s dominant narratives The volume s focus on the history of Catholics in the United States makes it essential reading for anyone seeking to understand the place of Catholicism in the American story **The Book Review Digest** ,2006
