*The EENDEED Project* F. Lartey, P. Randall, S. Saurage-Altenloh, T. Tate, 2025-06-25 With this book transform the way your organization connects with its most valuable asset your people The EENDEED Project bridges the gap between employee engagement theory and actionable results driven strategies designed to inspire and empower your workforce In a world where employee engagement defines organizational success The EENDEED Project equips leaders with the tools to thrive in the face of change Whether navigating hybrid teams or driving innovation this book provides a proven road map for cultivating a culture of value motivation and belonging Learn how to make your team feel valued and involved unlocking their potential as active contributors to your organization's success This practical guide delivers step by step strategies to create a culture where employees have a voice a purpose and the drive to achieve shared goals The EENDEED instrument exclusive to this book offers leaders a science backed approach to measuring and enhancing engagement in real time With this innovative tool you'll gain deep insights into your team's needs and develop tailored strategies to foster trust cohesion and empowerment Whether you're an executive HR professional or team leader The EENDEED Project is your essential resource for creating a connected resilient workforce Unlock the power of engagement and lead your organization to a future defined by adaptability inclusivity and success Endorsements The EENDEED Project is a refreshing and insightful guide for leaders navigating today's evolving workplace The authors take a research backed approach but keep it practical offering strategies to build stronger connections with employees and create a culture that thrives whether in the office or remotely Packed with actionable advice and real world examples this book goes beyond theory to show how engagement can drive real measurable change If you're looking to inspire your team and transform your organization this is the resource you need Dr Marshall Goldsmith Thinkers50 1 Executive Coach and New York Times bestselling author of *The Earned Life* *Triggers* and *What Got You Here Won't Get You There* A brilliant and timely guide The EENDEED Project sets a new

standard for understanding and driving employee engagement in the modern era. As a Chief Learning Officer I'm continually seeking resources that blend rigorous research with practical application and this book delivers on both fronts. From fostering trust and empowerment to mastering leadership communication in virtual environments the authoring team provides transformative strategies that resonate across industries. This book isn't just about adapting to change; it's about leveraging it to unlock potential and create thriving engaged workforces. Whether you're navigating remote work or redefining organizational culture, The EENDEED Project is your essential guide to success. Dr. Tiffany Dotson, Chief Learning Officer, Liberty Mutual Insurance Company. Organizational leadership has gotten much more complex in the last few years as continuous disruption, new generations of employees, and the prevalence of a hybrid workplace have upended the dynamics of every enterprise. The EENDEED Project is a bold effort to combine cutting edge research, compelling case studies, and practical advice for managers navigating our changing world. This is a very well researched examination of how to engage and bind employees together in a complex hybrid environment to ensure organizational health and performance. Bob Marcus, managing director, Russell Reynolds Associates Inc. A game changing resource that goes beyond engagement, equipping leaders with the tools to transform their teams into organizational rock stars. A must have for anyone serious about driving real impact and inspiring excellence in their organization. Richard Spector, best selling leadership and personal development author.

*Going Remote* Matthew E. Kahn, 2022-04-26. A leading urban economist's hopeful study of how shifts to remote work can change all of our lives for the better. As COVID 19 descended upon the country in 2020, millions of American office workers transitioned to working from home to reduce risk of infection and prevent spread of the virus. In the aftermath of this shift, a significant number of workers remain at least partially remote. It is clear that this massive experiment we were forced to run will have long term consequences changing the shape of our personal and work lives as well as the urban landscape around us. How will the rise of telecommuting affect workers' quality of life, the profitability of firms, and the economic geography of our cities and suburbs? *Going Remote* addresses the uncertainties and possibilities of this moment. In *Going Remote*, urban economist Matthew E. Kahn takes readers on a journey through the new remote work economy, revealing how people will configure their lives when they have more freedom to choose where they work and how they live. Melding ideas from labor economics, family economics, the theory of the firm, and urban economics, Kahn paints a realistic picture of the future for workers, firms, and urban areas big and small. As Kahn shows, the rise of remote work presents especially valuable opportunities for flexibility and equity in the lives of women, minorities, and young people, and even for those whose jobs do not allow them to work from home. Uncovering key implications for our quality of life, *Going Remote* demonstrates how the rise of remote work can significantly improve the standard of living for millions of people by expanding personal freedom, changing the arc of how we live, work, and play.
