The Wellspring Weight Loss Plan Daniel S. Kirschenbaum, 2011-03-01 The Wellspring Weight Loss Plan outlines the weight loss program of the same name that has helped thousands of teens lose weight and find happiness. This plan is built on three principles: science, simplicity, and sustainability, and follows the 3-1-8 plan: 3 Simple Behavioral Goals, eat as little fat as possible, walk at least 10,000 steps per day, and write down your eating and activities. 1 Challenging Mission to develop a healthy obsession. 8 Steps to Developing a Healthy Obsession: Make the Decision, Know the Enemy, Your Biology, Eat to Lose, Find Lovable Foods that Love You Back, Move to Lose, Self Monitor, and Plan Consistently, Understand and Manage Stress With and Without Food, and Use Slump Busters to Overcome Slumps. Hundreds of news and television stories around the world have followed the development of Wellspring's programs, starting with two camps in the summer of 2004 and expanding to 12 programs in the summer of 2010. From Wellspring Camps to Wellspring Academies, the world's first boarding schools for overweight teenagers, to Wellspring Vacations and Retreats, eight-day programs for adults, Wellspring participants learn to master the 3-1-8 approach described in *The Wellspring Weight Loss Plan*. Find out why this program works and use it to transform the lives of teens you know.

The 90/10 Weight-Loss Plan Joy Bauer, 2015-04-28 In just two weeks you'll lose weight, be healthier, and you can still eat your favorite chips, cookies, and ice cream. The reason so many diets fail for so many people is that they force the dieter to cut out the foods they love and crave. With The 90/10 Weight Loss Plan, dieters learn to balance their food intake by eating 90% healthy, nutritious food with 10% Fun Food, whatever they want, whenever they want. Nutritionist Joy Bauer has created a phenomenon that has taken the nation by storm: a diet that is healthy and easy to follow. And since dieters don't feel deprived of their favorite foods, The 90/10 Weight Loss Plan is a program they can stay on. The innovative plan offers three different caloric levels based on one's weight loss goal: 42 meals for each level, including breakfasts, lunches, dinners, and snacks. Meals that provide the most nutrition possible while reducing saturated fat and cholesterol intake. Meals that help reduce the risk of heart disease and cancer. Menus that are designed to include food the dieter will love.
