Owners Jackie Reses, Lauren Weinberg, 2022-03-29 Part starter kit part encyclopedia and part inspiration Self Made Boss is an essential survival guide for small businesses When it comes to getting practical advice small business owners too often don't know where to look Sure you can find all sorts of high level strategic tips from Fortune 500 CEOs But what if you own a restaurant and you're trying to figure out how to source good fish or if you're looking to increase revenue from your plumbing supply store You'll be running a lot of Google searches before you hear from someone who's actually stood in your shoes Longtime Square executives Jackie Reses and Lauren Weinberg want to change this So they reached out across the country talking to dozens of entrepreneurs with valuable businesses and invaluable advice This book is the product of that research Part starter kit part encyclopedia part inspiration Self Made Boss is filled with information not just about who these small business owners are but how they built their companies step by step How did they get their start When did they decide to hire more staff How did they set a course for growth And when problems arose how did they fight through them You'll hear from a second generation ice cream shop owner on how to manage price increases an oyster farmer finding new ways to stay afloat in the middle of a global pandemic a roofer who refused to be denied or defined by her race and gender and dozens of other small business owners making a big difference in their communities No matter the size of your business

today or where you're thinking about taking the jump tomorrow you'll find answers you can apply right away. Because there's a common purpose that all small business owners share: the drive to build something from the ground up, the relentless pursuit of turning obstacles into opportunities and roadblocks into stepping stones. It's tough and messy, hard fought and hard won. And above all, it's something you can't have when you work anywhere else or for anyone else. That's what it means to be a Self-Made Boss.
