The First Tip-Off: The Incredible Story of the Birth of the NBA Charley Rosen, 2008-10-05 Charley Rosen has undertaken the challenge of documenting the latest and greatest history of the game professionally and has done so to great success When I finished the book it seemed as if I had gone through another season injuries and all Rosen skillfully leads readers through the NBA's first steps along its journey toward what it has become today Phil Jackson from the Foreword Rosen a wonderful sportswriter had forgotten more basketball history than the best fans will ever know Booklist on No Blood No Foul Go back to a time when basketball players wore knee pads and itchy cotton jerseys When even the team's leaders were grateful for dry towels hot showers and 60 paychecks When winning was all that mattered In this vividly rendered and meticulously researched book endorsed with a Foreword by Los Angeles Lakers head coach Phil Jackson sportswriter Charley Rosen takes you on a rollicking tour of the NBA's first season Filled with rare archival photographs and exclusive interviews The First Tip Off brings to life a cast of unforgettable characters including Chuck Connors clown prince of the BAA and Jumping Joe Fulks ex Marine turned basketball's first superstar as Rosen deftly unfolds the dramatic events of that formative season It's enough to make you believe once again in the spirit of the sport *The Down Goes Brown History of the NHL* Sean McIndoe, 2018-10-30 Sean McIndoe of Down Goes Brown one of hockey's favourite and funniest writers takes aim at the game's most memorable moments especially if they're memorable for the wrong reasons in this warts and all history of the NHL The NHL is indisputably weird One moment you're in awe of the speed skill and intensity that define the sport shaking your head as a player makes an impossible play or shatters a longstanding record or sobs into his first Stanley Cup The next everyone's wearing earmuffs Mr Rogers has shown up and guys in yellow raincoats are officiating playoff games while everyone tries to figure out where the league president went That's just life in the NHL a league that often can't seem to get out of its own way No matter how long you've been a hockey fan you know that sinking feeling that maybe just maybe some of the people in charge here don't actually know what they're doing And at some point you've probably wondered Has it always been this way The short answer is yes As for the longer answer well that's this book In this fun irreverent and fact-filled history Sean McIndoe relates the flip side to the National Hockey League's storied past His obsessively detailed memory combines with his keen sense for the absurdities that make you shake your head at the league and yet fanatically love the game allowing you to laugh even when your team is the butt of the joke and as a life-long Leafs fan McIndoe takes the brunt of some of his own best zingers The Down Goes Brown History of the NHL is the weird and wonderful league's story told as only Sean McIndoe can [The Boston Globe Index](#), 1998 **Hockey For Dummies?** John Davidson, John Steinbreder, 1997-10-06 If you're a fan you'll want this book If you're not a fan yet Hockey For Dummies will turn you into one Mark Messier NHL All Star My dog Blue and I loved it We give it two paws up Don Cherry Former NHL Coach and Coaches Corner Commentator for Hockey Night in Canada J.D.'s insight and sense of humor give die-hard fans and
