**Priest, Prophet, Pilgrim** Todd Edmondson, 2014-02-14 Priest Prophet Pilgrim Types and Distortions of Spiritual Vocation in the Fiction of Wendell Berry and Cormac McCarthy provides a reading of characters in the novels and short stories of two important contemporary American writers through the lens of spiritual theology Applying the work of Rowan Williams Nicholas Lash and others Edmondson constructs a theological framework that takes seriously the notion of Christian spirituality not as an invitation to flee from this world but rather as a way of life that seeks reconciliation and joy within this world encountering and embracing God s presence within everyday existence in the contexts of such realities as corporeality communities and the created order as a whole This framework is then applied to the fiction of two American authors Wendell Berry and Cormac McCarthy By comparing these writers the characters they create and the worldviews that shape their narratives Priest Prophet Pilgrim demonstrates in ways that can be applied to other works and other characters how the reading of fiction can inform the pursuit of the spiritual life
