Class Clown Dave Barry, 2025-05-13 America's most beloved wisecrass finally tells his life story with all the humor you'd expect from a man who made a career out of making fun of pretty much everything How does the son of a Presbyterian minister wind up winning a Pulitzer Prize for writing a wildly inaccurate newspaper column read by millions of people In *Class Clown* Dave Barry takes us on a hilarious ride starting with a childhood largely spent throwing rocks for entertainment there was no internet and preparing for nuclear war by hiding under a classroom desk After literally getting elected class clown in high school he went to college where as an English major he read snippets of great literature when he was not busy playing in a rock band it was the sixties He began his journalism career at a small town Pennsylvania newspaper where he learned the most important rule of local journalism

never confuse a goose with a duck His journey then took a detour into the business world where as a writing consultant he spent years trying with limited success to get corporate folks to for God s sake get the point Somehow from there he wound up as a humor columnist for The Miami Herald where his boss was a wild man who encouraged him to write about anything that struck him as amusing and to never worry about alienating anyone His columns were not popular with everyone He managed to alienate a vast army of Neil Diamond fans and the entire state of Indiana But he also developed a loyal following of readers who alerted him to the threat of exploding toilets not to mention the fire hazards posed by strawberry pop tarts and Rollerblade Barbie which he demonstrated to the nation on the David Letterman show He led his readers on a crusade against telemarketers that ultimately caused the national telemarketers association to stop answering its own phones because it was getting irony alert too many unwanted calls He has also run for president multiple times although so far without success He became a book author and joined a literary rock band which was not good at playing music but did once perform with Bruce Springsteen who sang backup to Dave As for his literary merits Dave writes I ll never have the critical acclaim of say Marcel Proust But was Marcel Proust ever on Carson Did he ever steal a hotel sign for Oprah Class Clown isn t just a memoir it s a vibrant celebration of a life rich with humor absurdity joy and sadness Dave says the most important wisdom imparted by his Midwestern parents was never to take anything too seriously This laughter filled book is proof that he learned that lesson well *Peter and the Starcatchers Blood Tide* Ridley Pearson,Dave Barry,2008-09-16 When an earthquake strikes Neverland Island things quickly go very wrong The Lost Boys underground hideaway is flooded forcing them to leave Meanwhile a mysterious barrel washes ashore and falls into the hands of the pirates When their leader Captain Hook finds out what s in the barrel he hatches an evil plan But worst of all is the change in the mermaids These once peaceful friends of the natives have turned violent using their needle sharp teeth to attack anybody who goes into the water When they injure some members of the native Mollusk tribe the Mollusk leader Fighting Prawn feels he has no choice but to fight back As the warriors prepare to attack the Lost Boys and the chief s daughters Shining Pearl and Little Scallop set off on a secret mission to try to make peace with the mermaids Instead they re captured by the mermaids and while in captivity they discover the cause of the problem the Blood Tide which is poisoning the lagoon and will eventually kill the mermaids With time running out they must try to stop the tide and save the mermaids as well as themselves But to do so they must deal with Captain Hook whose plan threatens to destroy the Mollusk village and change life on Neverland Island forever *Peter and the Shadow Thieves* Dave Barry,Ridley Pearson,2007-09-11 In this riveting and adventure packed follow up to Peter and the Starcatchers we discover Peter leaving the relative safety of Mollusk Island along with his trusted companion Tinker Bell for the cold damp streets of London On a difficult journey across the sea he and Tink discover the dark and deadly slithering part man part creature Lord Ombra It seems that the dreaded Ombra has a variety of mysterious powers including the ability to make shadows disappear When Peter reaches London he sets out to find the indomitable Molly Together they must combat
