## **Pay Attention Animals Holy Scriptures:**

**Pay Attention to the Animals!** ,2015-12-25 About twenty years ago when I was trying to come to terms with the interpretation of portions of the Holy Scriptures I learned that physical things help us understand spiritual things For instance we have eyes and the Word of God tells us about the Eyes of the Lord running to and fro upon His earth also there is the sun a celestial body that humans animals and plants cannot do without which never fails to rise and set daily all over the world and our Lord Jesus is called the Sun of Righteousness Physical things help us comprehend the spiritual and the animals of the Scriptures teach us invaluable lessons for living Do you like animals As for me I do but I certainly do not like all animals for instance I have no place in my world of likes for the Hyenas Hyenas I call them the thieves of the animal kingdom those animals don t like to hunt for prey but they like to eat like the best hunters in the wild so they wait for lone predators to spend their precious time skill and energy hunting for prey and once the kill is made Hyenas come out in numbers many times outnumbering the hunter at a ratio of about seven to one and steal the prey to feed themselves And when they eat the stolen food they make the strangest of noises laughing and shaking their heads with sounds that make me call them the demons of the wild I do not have a pet I used to dream of owning a lovely dog when I was a little boy but as I grew up I lost interest in having pets but I still have a strong admiration for dogs dogs are amazing and the level of their intelligence and response to training is phenomenal You see I like to watch crime stories on television and when I see how brilliant dogs help police and law enforcement agents to track down the most chronic of criminals I marvel A man rapes a woman today murders her and drives her car to a remote environment and abandons it there the next day the police arrive with a trained dog they spot the handkerchief of the killer which he had unwittingly left behind as he fled the crime scene the handkerchief is handed over to the officer dog the smart animal smells it for a few seconds and traces the killer s smell until they spot him hiding in a cabin two miles from the crime scene Amazing However my favorite animal is the lion which I call the king of the jungle and if the lion is the king then the lioness is the queen Have you ever seen the head of a lion in motion it is magnificent to say the least That sight can strike fear unrehearsed into the heart of any mortal if one comes face to face with a lion and yes it does strike fear into the eyes of any animal in any forest and when you think that the roar or scream or growl of a lion can travel as far as about eleven kilometers or about eighteen miles you get a better picture of the sheer power of the beast I enjoy watching lions hunting for prey whether the lionesses hunt in packs or a lone predator tracks prey for her mouth and the mouths of her cubs Another animal that I truly admire is the elephant the gentle giant of the wild forests on the contrary I absolutely hate serpents In the scriptures a lot of animals are mentioned and described From the animals who came to Adam to get their names to the animals that were used for sacrifices unto the Creator under the Old Covenant to the beasts in the Book of Revelation some of the Revelation s beasts being a combination of four or more different animals known to mortals Not long ago as I meditated on the Word I realized that there are great lessons to learn from paying the price of time and

taking detailed looks at the animals in the Bible and here is my take the animals of the Holy Scriptures are used by the Spirit to teach us truths that we would never have learnt any other way for there are no meaningless illustrations or connotations in the Word And now it seems good to the Holy Ghost and to me to write this book     A General Introduction to the Sacred Scriptures Joseph Dixon (apb of Armagh),1853     *A General Introduction to the Sacred Scriptures* Joseph Dixon,1853     A Text-book of Veterinary Obstetrics: Including the Diseases and Accidents Incidental to Pregnancy, Parturition, and Early Age in the Domesticated Animals George Fleming (Veterinary Surgeon.),1878     *Calmet's Dictionary of the Holy Bible* Augustin Calmet,1837     *The Holy Books of Judaism* Louis Ginzberg,Heinrich Graetz,Judah Halevi,Moses Maimonides,Samuel Rapaport,Simeon Singer,Nurho de Manhar,Abraham Cohen,2023-12-22 The collection titled The Holy Books of Judaism is a profound exploration of Jewish sacred writings offering a compendium of diverse literary styles and theological frameworks This anthology spans the breadth of Jewish thought integrating wisdom across tablets of law poetic hymns philosophical treatises and folklore Each piece within the tome serves as a testament to the richness and depth of Jewish religious literature Without attributing to individual authors standout pieces merge narratives laws and parables striking a balance between history and spirituality that resonates through generations Bringing together works from luminaries such as Louis Ginzberg Heinrich Graetz and Moses Maimonides among others this collection emerges as a chorus of influential voices in Jewish history It reflects on the complex intersection of historical cultural and theological movements that define the Jewish experience These esteemed authors each a seminal figure in their own right contribute unique insights drawing from periods spanning medieval philosophy to early 20th century scholarship As a collective they imbue the anthology with an authenticity and depth that are indispensable to understanding Jewish intellectual heritage The Holy Books of Judaism invites readers on an enlightening journey through the tapestry of Jewish thought By engaging with these varied perspectives readers gain a comprehensive view of the Jewish spiritual journey Perfect for scholars and enthusiasts alike the collection offers educational richness encouraging readers to engage in an ongoing dialogue with centuries old wisdom Through its diverse tapestry of stories and teachings the anthology provides invaluable insights into an ancient yet ever evolving faith promising both scholarly enlightenment and spiritual reflection     **A Commentary on the Holy Scriptures: Job** Johann Peter Lange,1872     *The Holy Bible* ,1836     *(The ) Book of Days* Robert Chambers,1879     *A Commentary on the Holy Scriptures: Critical, Doctrinal, and Homiletical* Johann Peter Lange,1872     **The People's Bible** Joseph Parker,1886     **Etymological and Pronouncing Dictionary of the English Language** James Stormonth,1877     **Knowledge** ,1897     **The Churchman** ,1877     New York Medical Journal ,1889     The Pennsylvania School Journal Thomas Henry Burrowes,James Pyle Wickersham,Elnathan Elisha Higbee,David Jewett Waller,Nathan C.
