Becoming Abolitionists Derecka Purnell, 2021-10-05 A NONAME BOOK CLUB PICK Named a Kirkus Reviews Best Book of 2021 Becoming Abolitionists is ultimately about the importance of asking questions and our ability to create answers And in the end Purnell makes it clear that abolition is a labor of love one that we can accomplish together if only we decide to

Nia Evans Boston Review For more than a century activists in the United States have tried to reform the police From community policing initiatives to increasing diversity none of it has stopped the police from killing about three people a day Millions of people continue to protest police violence because these solutions do not

match the problem the police cannot be reformed In *Becoming Abolitionists* Purnell draws from her experiences as a lawyer writer and organizer initially skeptical about police abolition She saw too much sexual violence and buried too many friends to consider getting rid of police in her hometown of St Louis let alone the nation But the police were a placebo Calling them felt like something and something feels like everything when the other option seems like nothing Purnell details how multi racial social movements rooted in rebellion risk taking and revolutionary love pushed her and a generation of activists toward abolition The book travels across geography and time and offers lessons that activists have learned from Ferguson to South Africa from Reconstruction to contemporary protests against police shootings Here Purnell argues that police can not be reformed and invites readers to envision new systems that work to address the root causes of violence *Becoming Abolitionists* shows that abolition is not solely about getting rid of police but a commitment to create and support different answers to the problem of harm in society and most excitingly an opportunity to reduce and eliminate harm in the first place *Who's Who Among Hispanic Americans* Amy L. Unterburger,1994 All areas of the United States have been surveyed to insure balanced national coverage in this work on Hispanic Americans The work covers individuals from a broad range of professions and occupations including those involved in medicine social issues labour sports entertainment religion business law journalism science and technology education politics and literature Listees have been selected on the basis of achievement in their fields and or for considerable civic responsibility *American Book Publishing Record* ,1977-03-31 Here s quick access to more than 490 000 titles published from 1970 to 1984 arranged in Dewey sequence with sections for Adult and Juvenile Fiction Author and Title indexes are included and a Subject Guide correlates primary subjects with Dewey and LC classification numbers These cumulative records are available in three separate sets **Who's who Among Hispanic Americans, 1992-93** Thomson Gale,1992 **NYPD Police Officer Entrance Exam Review Guide** Seth S. Patton,2014-09-07 Learn how to pass the NYPD Officer Candidate exam and join the ranks of New York s Finest The number of candidates taking the exam has increased dramatically in recent years reflecting the desirability of the profession In order to succeed against this increased competition the candidate must be prepared to tackle the unique question types found on the exam This book contains the most up to date and accurate information to help you prepare for the NYPD Officer Candidate Exam Written using lessons learned from the latest exam updates this manual squarely prepares the reader for all of the exam sub areas including Memory Visualization Deductive Reasoning Inductive Reasoning Reading Comprehension and Written Expression *Tragediia sovetskoï derevni* ,1999 **Police Sergeant Examination Preparation Guide** Larry F. Jetmore,2014-11 In this extremely thorough prep guide Larry Jetmore reveals every element of the Sergeant Exam and shares priceless insights into things you can do to prepare yourself for top performance Inside you will get Tips for submitting your test application Expert advice on strategies that will help you skillfully navigate both written AND oral elements An explanation of scoring methodology and passing percentages and real world insights into what the job of Sergeant actually entails from the skills

and personality strengths to the various new responsibilities you must be prepared to accept Practice tests with explanatory answers PLUS a complete glossary of important terms and concepts **NOBLE, National Organization [of] Black Law Enforcement Executives : Justice by Action** ,1998 The Compiler ,1991
