Occupational Therapy Progress Notes:

Elder Care in Occupational Therapy Sandra Cutler Lewis, 2003 Elder Care in Occupational Therapy has been extensively revised into a new and completely updated second edition. This pragmatic text presents up to date information in a user friendly format that seamlessly flows from one subject to the next. From wellness to hospice. Elder Care in Occupational Therapy Second Edition offers a broad yet detailed discussion of occupational therapy practice that is devoted to older adults. A wide variety of topics are covered in a concise format such as historical perspectives, theoretical insights, the aging process and current interventional strategies to name a few. Twenty informative appendices are also included that clarify issues such as Medicare coverage, community and clinical living arrangements, client centered practice, exercise programs, evidence based practice and a summary of the newly adopted Occupational Therapy Practice Framework Domain and Process. Additional features include information about the most advanced scientific achievements that can ultimately affect occupational therapy. Lists new and updated resource materials. Presents case studies that provide theoretical considerations and Intervention methods. Clearly discusses exciting and new venues for occupational therapy programming. Explains fundamentals of documentation and current reimbursement issues. Perfect for the student or clinician. Elder Care in Occupational Therapy Second Edition provides classic professional information on theory, disease entities and intervention in a comprehensive format.

The OTA's Guide to Writing SOAP Notes Sherry Borcherding, Marie J. Morreale, 2007 Written specifically for occupational therapy assistants. The OTA's Guide to Writing SOAP Notes Second Edition is updated to include new features and information. This valuable text contains the step by step instruction needed to learn the documentation required for reimbursement in occupational therapy. With the current changes in healthcare, proper documentation of client care is essential to meeting legal and ethical standards for reimbursement of services. Written in an easy to read format, this new edition by Sherry Borcherding and Marie J. Morreale will continue to aid occupational therapy assistants in learning to write SOAP notes that will be reimbursable under Medicare Part B and managed care for different areas of clinical practice. New Features in the Second Edition: Incorporated throughout the text is the Occupational Therapy Practice Framework along with updated AOTA documents. More examples of pediatrics, hand therapy and mental health. Updated and additional worksheets. Review of grammar, documentation mistakes. Worksheets for deciphering physician orders as well as expanded worksheets for medical abbreviations. Updated information on billing codes, HIPAA, management of health information, medical records and electronic documentation. Expanded information on the OT process for the OTA to fully understand documentation and the OTA's role in all stages of treatment including referral, evaluation, intervention plan and discharge. Documentation of physical agent modalities. With reorganized and shorter chapters, The OTA's Guide to Writing SOAP Notes Second Edition is the essential text to providing instruction in writing SOAP notes specifically aimed at the OTA practitioner and student. This exceptional edition offers both the necessary instruction and multiple opportunities to practice as skills are

built on each other in a logical manner. Templates are provided for beginning students to use in formatting SOAP notes and the task of documentation is broken down into small units to make learning easier. A detachable summary sheet is included that can be pulled out and carried to clinical sites as a reminder of the necessary contents for a SOAP note. Updated information, expanded discussions and reorganized learning tools make *The OTA's Guide to Writing SOAP Notes* Second Edition a must have for all occupational therapy assistant students. This text is the essential resource needed to master professional documentation skills in today's healthcare environment.
