

Through the Newcomer Settlement Program, it is our privilege to work in concert with the many community organizations that are offering programs. These funds will allow us to continue to offer the services that are vital to provide a smooth process for arriving new immigrants and their families as they settle in our community.

By concentrating on needs on a regular basis, business managers will be better positioned to identify and respond to market needs, a process that can be furthered by involving the product team early. This is a natural extension of the marketing function, which is responsible for understanding the requirements of potential market sectors. By involving this responsibility in regular price and product price analysis, managers can better appreciate the needs of their customers.

fully support both the continuing fight for the non-discriminatory Human Genome Project and the fight to end gender-based violence against all women and communities. By supporting a global movement towards a model that respects women's equality, strength, and resilience, we can build a model that is a model for sustainable solutions to the challenges that are faced in the gendered economy, including gender-based violence, and helping people move from the world's most vulnerable to its most powerful by everyone's standards, and move out of the spotlight. If that kind of living future leads the global economy, then the world's best opportunities are in a world that respects and upholds women's rights and human rights for all women and communities. It's time for us to take action on the economy that will not leave any woman or child behind and that can be gendered.

I hope this year continues to be a great year for the Winter Camp Leadership Program. I have much to accomplish this summer, so I will be in touch with you all within the next month or two. Winter Camp
