## **Objects Of Concern Objects Of Concern:**

*An Essay on the Revelation of Saint John so far as concerns the past and present times. To which are added, two dissertations, the one upon Mark ii, 25, 26; the other upon Matt. xxiv. and the parallel chapters; with a collection of Scripture prophecies, relating to the times after the coming of the Messiah. Few MS. notes [by the author].* William Whiston, 1706

**Organizational Behaviour** Richard Pettinger, 2013-05-13 This book offers a fresh and comprehensive approach to the essentials that constitute the discipline of organizational behaviour with a strong emphasis on the application of organizational behaviour and performance management in practice. It concentrates on the development of effective patterns of behaviour values and attitudes and relates these issues to effective organization performance in times of organizational and environmental change and turbulence. The book is divided into four parts providing a clear structure for the study of the subject: Part One The context of organizational behaviour; Part Two The disciplines of organizational behaviour; Part Three Organizational behaviour in practice; Part Four Organizational behaviour expertise and application. Organizational Behaviour is packed with references to current topics, practical examples and case studies from large corporations from around the world including Ryanair, The Body Shop and RBS. This book covers examples of both good and bad practice, making it an interesting and unique introduction to the study of organizational behaviour.

*Information Technology for Management. Ongoing Research and Development* Ewa Ziembka, 2018-02-27 This book constitutes extended selected papers from the 15th Conference on Advanced Information Technologies for Management AITM 2017 and the 12th Conference on Information Systems Management ISM 2017 held as part of the Federated Conference on Computer Science and Information Systems FedCSIS which took place in Prague, Poland in September 2017. The 13 papers presented in this volume were carefully reviewed and selected from 48 submissions. They were organized in topical sections named information technology and systems for knowledge management, information technology and systems for business transformation and implementation, and evaluation of information systems.

**The 1970 UNESCO and 1995 UNIDROIT Conventions on Stolen or Illegally Transferred Cultural Property**, 2024-02-06 The illicit traffic in cultural objects is a grave concern to the general public and international community. The resulting cultural damage fuels debates on how best to regulate the trade in cultural objects and inform legal responses at all levels for the protection of movable cultural heritage. Treaties concerning the treatment of cultural objects during peacetime and war represent some of the earliest multilateral initiatives on cultural heritage in the modern era. They also remain some of the most deeply contested, representing shifting fault lines within the international community. Authored by leading scholars and practitioners from around the world, this Commentary is the first to cover the two leading multilateral treaties on movable cultural heritage in one volume: the Convention on the Means of Prohibiting and Preventing the Illicit Import Export and Transfer of Ownership of Cultural Property adopted by UNESCO in 1970 and the Convention on Stolen or Illegally Exported Cultural Objects adopted by UNIDROIT in 1995. This Commentary is designed to

be the authoritative text for academics lawyers policymakers and diplomats on the protection and regulation of cultural objects Encompassing both public and private international law rules on the trade in cultural objects it provides a detailed historical and thematic overview Drawing on the travaux préparatoires and intergovernmental and state practice over the last half century the Commentary provides an article by article analysis of the interpretation and application of these treaties The texts 1970 UNESCO and 1995 UNIDROIT Conventions are examined in the working context of other culture conventions including the World Heritage Convention and the Intangible Heritage Convention as well as related fields of international law such as international humanitarian law international criminal law human rights law and international economic law The volume also offers a critical examination of current trends and future directions which are informing the field

**Value-Focused Thinking** Ralph L. KEENEY, Ralph L. Keeney, 2009-06-30 This text argues that in decision making a focus should be placed on the bottom line objectives that give it its meaning It states that through recognizing and articulating fundamental values better decision opportunities can be identified thereby creating better alternatives

**Problems of Life and Mind: The study of psychology; its object, scope, and method** George Henry Lewes, 1879 Improving Homeland Security Decisions Ali E. Abbas, Milind Tambe, Detlof von Winterfeldt, 2017-12-06 What are the risks of terrorism and what are their consequences and economic impacts Are we safer from terrorism today than before 9/11 Does the government spend our homeland security funds well These questions motivated a twelve year research program of the National Center for Risk and Economic Analysis of Terrorism Events (CREATE) at the University of Southern California funded by the Department of Homeland Security This book showcases some of the most important results of this research and offers key insights on how to address the most important security problems of our time Written for homeland security researchers and practitioners this book covers a wide range of methodologies and real world examples of how to reduce terrorism risks increase the efficient use of homeland security resources and thereby make better decisions overall
