**The Frood** Jem Roberts, 2015-09-10 Hey you sass that hoopy Ford Prefect There's a frood who really knows where his towel is Sass know be aware of meet have sex with hoopy really together guy frood really amazingly together guy Douglas Adams *The Hitchhiker's Guide to the Galaxy* See more at <http://www.randomhouse.com.au/books/jem-roberts-the>

frood the true story of douglas adams and the hitchhikers guide to the galaxy 9781848094383 aspx sthash nAAovwFO dpuf As a wise ape once observed space is big vastly hugely mind bogglingly so However if you look too closely at space it becomes nothing but lumps of rock and sundry gases Sometimes it s necessary to take a step back and let a few billion years go by before any of the true wonder and scope of the cosmos becomes apparent Similarly the late 20th century author humorist and thinker Douglas Adams was big vastly hugely and thoroughly mind bogglingly so both in physical terms and as a writer who has touched millions of readers firing up millions of cerebellums all over planet Earth for more than 35 years and for nearly half of that time he hasn t even been alive It would be ridiculous to pretend that Douglas Adams life and work has gone unexamined since his dismayingly early death at 49 but throughout the decade since the last book to tackle the subject the universes Adams created have continued to develop to beguile and to expand minds and will undoubtedly do so for generations to come An all new approach to the most celebrated creation of Douglas Adams is therefore most welcome and The Frood tells the story of Adams explosive but agonizingly constructed fictional universe from his initial inspirations to the posthumous sequel s and adaptations bringing together a thousand tales of life as part of the British Comedy movements of the late 1970s and 1980s along the way With the benefit of hindsight and much time passed friends and colleagues have been interviewed for a fresh take on the man and his works
