Open Doors The Pathway To God Sized Assignments:

Priorities Mark Ballard, 2019-12-19 *Priorities Reaching the Life God Intended* grew out of Dr Mark Ballard's long term study and experience. He said I'm passionate about helping you discover your God given priorities. I believe priorities will do for you what they did for me. For Ballard, priorities changed an expected high school dropout into class valedictorian. Priorities helped him earn a college degree, two graduate degrees, and become a college founder and president. Along the way, priorities helped him plant and pastor multiple churches. What can priorities do for you? Everyone has a limited amount of time, talents, and treasures. How are you using yours? Priorities will guide you to use rather than lose your time. Priorities will help you invest your talents and treasures wisely and effectively. *Priorities* was written to help you discover and accomplish your God given priorities. You will learn a simple process drawn from Ballard's practical expositions of Haggai. Haggai prophesied to ancient people with contemporary priority problems. Ballard added insights from personal experience. Each chapter concludes with positive exhortations. You will be equipped to distinguish actual priorities from aspirational priorities, make decisions based on personal priorities, discover your life mission, experience the joy and freedom of living out your God given priorities, and reach the life God intended.

Choosing Your Path Dale Saito, 2021-07-21 Jesus threatened to spit out the church in Laodicea for it was neither hot nor cold Their fire for Jesus was smoldering They were no longer a cool refreshing spring for lost sojourners The church in Laodicea had become uselessly lukewarm The early church had been infiltrated by demonic forces The Laodiceans had turned towards the ways of the world The American Church has also been infiltrated Today we face a similar condition because we too have turned towards the ways of the world Many are in denial that the infiltration exists Others simply don't know where to look or what to do about it Jesus offered hope to the Laodiceans His letter to the church in Laodicea was a plea to repent Today He offers us that same hope But that hope comes with the same plea we must be earnest and repent To repent we must first understand and then accept that the path we took may have been the wrong one In this book we will examine actions taken by the Church that contributed to our condition and explore the actions we can take to reclaim the victory He promises Whether you are a pastor council board member elder ministry lay leader or dream to one day lead this book will challenge how you think of and lead your church
