*Opening Up Education* Toru Iiyoshi,M.S. Vijay Kumar,2010-09-24 Experts discuss the potential for open education tools resources and knowledge to transform the economics and ecology of education Given the abundance of open education initiatives that aim to make educational assets freely available online the time seems ripe to explore the potential of open education to transform the economics and ecology of education Despite the diversity of tools and resources already available from well packaged course materials to simple games for students self learners faculty and educational institutions we have yet to take full advantage of shared knowledge about how these are being used what local innovations are emerging and how to learn from and build on the experiences of others *Opening Up Education* argues that we must develop not only the technical capability but also the intellectual capacity for transforming tacit pedagogical knowledge into commonly usable and visible knowledge by providing incentives for faculty to use and contribute to open education goods and by looking beyond institutional boundaries to connect a variety of settings and open source entrepreneurs These essays by leaders in open education describe successes challenges and opportunities they have found in a range of open education initiatives They approach from both macro and micro perspectives the central question of how open education tools resources and knowledge can improve the quality of education The contributors from leading foundations academic institutions associations and projects discuss the strategic underpinnings of their efforts first in terms of technology then content and finally knowledge They also address the impact of their projects and how close they come to achieving a vision of sustainable transformative educational opportunities that amounts to much more than pervasive technology Through the support of the Carnegie Foundation for the Advancement of Teaching an electronic version of this book is openly available under a Creative Commons license at The MIT Press Web site <http://mitpress.mit.edu> Contributors Richard Baraniuk Randy Bass Trent Batson Dan Bernstein John Seely Brown Barbara Cambridge Tom Carey Catherine Casserly Bernadine Chuck Fong Ira Fuchs Richard Gale Mia Garlick Gerard Hanley Diane Harley Mary Huber Pat Hutchings Toru Iiyoshi David Kahle M S Vijay Kumar Andy Lane Diana Laurillard Stuart Lee Steve Lerman Marilyn Lombardi Phil Long Clifford Lynch Christopher Mackie Anne Margulies Owen McGrath Flora McMartin Shigeru Miyagawa Diana Oblinger Neeru Paharia Cheryl Richardson Marshall Smith Candace Thille Edward Walker David Wiley      **The Devil Sure Does** Vincent Robillard,2011-10-31 The Devil Sure Does or the mischiefs and misadventures of a mythomaniac globe trotting thief in search for his true identity is a maze of memories which carries the reader from Alaska to New Orleans to New Delhi and The Parisian Catacombs through the eyes of a diabolical and hyperbolical anti hero on run as he recalls the fleeting moments and the significant murders of his decadent life To be read at the second degree with a grain of salt and at your own risk      *Start-up and Entrepreneurial Communication* Alexander Godulla,Linjuan Rita Men,2024-06-21 This book delves into the dynamic field of start up and entrepreneurial communication addressing a significant research gap Start up and entrepreneurial communication is a

critical practice for organizations in their early stages of development Characterized by their innovative and growth oriented nature these organizations often find themselves in a constant state of re evaluation and reinvention As such the competencies within these organizations frequently struggle to match the real time changes Addressing this gap this book provides scientifically sound answers to defining and systematizing start up and entrepreneurial communication It delves into central areas of discourse exploring the intricate balance between a start up s brand identity and strategic communication as well as the crucial role of internal communication Additionally the book offers insights into the highly innovative realm of crowdfunding complementing its comprehensive exploration of start up communication This volume will be a key resource for scholars students and practitioners in the emerging field of entrepreneurial and start up communication It was originally published as a special issue of the International Journal of Strategic Communication
