All new employees will report to the Executive Director or the designated Administrative Manager on their first day of employment. The Administrative Manager will review the Flint Hills Regional Council's Operations Manual with the new employee. The new employee will also be provided with a copy of the Operations Manual. - A tour of the facility;
- An introduction to all employees of the Flint Hills Regional Council;
- An introduction to the vision, mission and work of the organization;

- A detailed review of the employee's job duties; and
- A description of any training or other orientation activities, which will be conducted over the course of the employee's first few weeks of employment.

The supervisor will develop, initiate, and monitor an on-the-job training program for all new employees as appropriate.

International Trade Administration, 1988 The Fissured Workplace David Weil, 2014-02-17 In the twentieth century large companies employing many workers formed the bedrock of the U S economy Today on the list of big business s priorities sustaining the employer worker relationship ranks far below building a devoted customer base and delivering value to investors As David Weil s groundbreaking analysis shows large corporations have shed their role as direct employers of the people responsible for their products in favor of outsourcing work to small companies that compete fiercely with one another The result has been declining wages eroding benefits inadequate health and safety protections and ever widening income inequality From the perspectives of CEOs and investors fissuring splitting off functions that were once managed internally has been phenomenally successful Despite giving up direct control to subcontractors and franchises these large companies have figured out how to maintain the quality of brand name products and services without the cost of maintaining an expensive workforce But from the perspective of workers this strategy has meant stagnation in wages and benefits and a lower standard of living Weil proposes ways to modernize regulatory policies so that employers can meet their obligations to workers while allowing companies to keep the beneficial aspects of this business strategy Bond's Franchise Guide 2006 Robert E.
