One day it clicked: If they could spend so much time playing, why couldn't we create a game together, a game that could be fun, interactive, and maybe even profitable? I realized this was an opportunity to learn to build and to explore the world of Roblox development alongside my kids. Roblox is more than a game platform; it's a space where imagination meets creation. Players can explore worlds, complete challenges, and interact with friends, and creators can build those worlds. I wanted to be one of those creators.
