**A Tactical Survival Guide for Online Shooting Games.** Andrew Shepperson, 2019-01-30 This book has been written as a guide to help anyone struggling with online multiplayer First Person Shooter (FPS) games or even if you just want to sharpen up your existing skills. By reading through the strategies you should easily improve your game and become a more formidable opponent. This book covers any potential problems you may encounter during FPS online play and incorporates generic techniques that you will be able to use in all FPS games regardless of their origin, timescale, control system or platform. The things that remain the same in all FPS are the basic tactics and techniques that are employed by some of the world's best online gamers and some of the world's most formidable military powers. These are the superior tactics that you will be able to utilise in any FPS game you play and will keep you one step ahead of any player. [The Ultimate Guide to Roblox](#), 2022
