

## Open Shapes

There is a gap or gaps along the boundary in open shapes.

An open shape is made up of line segments or curves, but there is at least one line segment that isn't connected to anything at one of its endpoints.

A skipping rope, mosquito coil, and a stethoscope are examples of an open shape.

## Closed Shapes

There are no gaps in the boundaries in closed shapes.

In a closed shape, all the line segments are joined end to end and every two sides or edges meet at a point called the vertex.

A hula hoop, cookies, ice cubes, and whiteboards are examples of a closed shape.

## **Open Vs Closed Shap Poetry:**

*Wallace Stevens and the Realities of Poetic Language* Stefan Holander,2008-02-19 This study examines Wallace Stevens ideas and practice of poetic language with a focus on the 1930s an era in which Stevens persistently thematized a keenly felt pressure for the possible social involvement and political utility of poetic language The argument suggests how mutually implicated elements of his poetry such as diction prosody and metaphor are relied on to signify or enact aesthetic closure both in the negative terms of expressive impotence and unethical isolation and the positive ones of imaginative and linguistic change In this respect the study deals closely with the epistemologically and ethically fraught issue of the ambiguous and volatile role of non semantic elements and linguistic difficulty in Stevens language Assuming that these facets are not exclusive to this period but receive a very clear and therefore instructive formulation in it the discussion outlines some of Stevens most central tropes for poetic creativity at this stage of his career suggesting ways in which they came to form part of his later discourse on poetic functionality when polemical concepts for the imagination such as evasion and escapism became central Stevens prosody is discussed from within an eclectic analytical framework in which cumulative rhythmicity is complemented by traditional metrics as a way of doing justice to his rich varied and cognitively volatile use of verse language The expressive potency of prosodic patterning is understood both as an effect of its resistance to semantic interpretation and by assuming a formal drive to interpret them in relation to the semantic and metaphoric staging of individual poems A poem in turn is understood both as a strategic stylistically deviant response to the challenges of a particular historical moment and as an attempt to communicate through creating a sense of linguistic resistance and otherness [Handbook of American Poetry](#) Sabine Sielke,2025-01-27 This handbook offers scholars an overview of the state of research and students a sense of how American poetry from its first forms evolving in the 17th century settler colonies to its current digital modes has addressed issues and experiences central to human consciousness and to political life over five centuries of cultural practice At the same time it aims to show how poetry philosophy and theory have always been involved in productive dialogues

[Handbook of Research on Teaching Literacy Through the Communicative and Visual Arts, Volume II](#) James Flood, Shirley Brice Heath,Diane Lapp,2015-04-22 The Handbook of Research on Teaching Literacy Through the Communicative and Visual Arts Volume II brings together state of the art research and practice on the evolving view of literacy as encompassing not only reading writing speaking and listening but also the multiple ways through which learners gain access to knowledge and skills It forefronts as central to literacy education the visual communicative and performative arts and the extent to which all of the technologies that have vastly expanded the meanings and uses of literacy originate and evolve through the skills and interests of the young A project of the International Reading Association published and distributed by Routledge Taylor Francis Visit <http://www.reading.org> for more information about International Reading Association books membership and other services **Concordance to the Works of Alfred Tennyson Poet Laureate** Alfred Tennyson Baron Tennyson,1870

**Modern Poetry Studies** ,1982    **History of English Poetry from the Twelfth to the Close of the Sixteen Century: Prefaces and dissertations** Thomas Warton,1871    **The Works of Edgar Allan Poe: Eureka: a prose poem.
