Islamic Love Spell:

Being Muslim the Bosnian Way Tone Bringa, 2020-09-01 I have been able to follow a Bosnian community over a period of six years during which it has undergone dramatic changes In the late 1980s people were working hard against economic crisis In 1990 they were full of optimism for the future In January 1993 the village was in fear surrounded by war on all sides In April 1993 it was attacked by Croat forces In October 1993 none of the Muslims in the village remained They had either fled been placed in detention camps or been killed Thus begins Tone Bringa's moving ethnographic account of Bosnian Muslims lives in a rural village located near Sarajevo Although they represent a majority of the population in the Republic of Bosnia and Herzegovina Bosnian Muslims are still members of a minority culture in the region that was once Yugoslavia The question of ethno national identity has become paramount in this society and the author focuses on religion as the defining characteristic of identity Bringa pays particular attention to the roles that women play in defining Muslim identities and she examines the importance of the household as a Muslim identity sphere In so doing she illuminates larger issues of what constitutes nationality This is a gripping and heartfelt account of a community that has been torn apart by ethno political conflict It will attract readers of all backgrounds who want to learn more about one of the most intractable wars of the late twentieth century and the people who have been so tragically affected

White Magic the Right Way Sheikh Ali, 2020-08-02 Amulets and Spells to facilitate life Learn the skills of magic within the faith of Islam Note If Non Muslim brothers wish to benefit from this book then they certainly can The rules for them are described in the book itself The use of this book is strictly advised for legitimate purposes only i.e. attracting the lady man of your dreams and finally getting her him through white magic but only with the intentions of marrying her him and nothing other than that The Taweez should also be used by to create love for you in the hearts of your spouses in order to live with them in tranquility and remain safe from the curse of divorce The Amulets Taweez given in the book are not just to create love for yourself in someone's heart for the sake of marrying that person but the Amulets can also be used to create affection between other relationships as well like a mother and son a father and daughter between siblings cousins and so on so that harmony prevails in the lives of the people who had been facing animosities from one another and just want the other person to be at good terms with them This book is also to protect you from the so called doctors in the field of Magic who are obviously going to name their price without even actually tending to your issues You can now use this book without being ripped off by such men
