Diets and Dieting Sander L. Gilman,2008-01-23 Diets and dieting have concerned and sometimes obsessed human societies for centuries The dieters regime is about many things among them the control of weight and the body the politics of beauty discipline and even self harm personal and societal demands for improved health spiritual harmony with the universe and ethical codes of existence In this innovative reference work that spans many periods and cultures the acclaimed cultural and medical historian Sander L Gilman lays out the history of diets and dieting in a fascinating series of articles

Diet and the Disease of Civilization Adrienne Rose Bitar,2018-01-26 Diet books contribute to a 60 billion industry as they speak to the 45 million Americans who diet every year Yet these books don t just tell readers what to eat they offer complete philosophies about who Americans are and how we should live Diet and the Disease of Civilization interrupts the predictable debate about eating right to ask a hard question what if it s not calories but concepts that should be counted Cultural critic Adrienne Rose Bitar reveals how four popular diets retell the Fall of Man as the narrative backbone for our national consciousness Intensifying the moral panic of the obesity epidemic they depict civilization itself as a disease and offer diet as the one true cure Bitar reads each diet the Paleo Diet the Garden of Eden Diet the Pacific Island Diet the detoxification or detox diet as both myth and manual a story with side effects shaping social movements driving industry and constructing fundamental ideas about sickness and health Diet and the Disease of Civilization unearths the ways in which diet books are actually utopian manifestos not just for better bodies but also for a healthier society and a more perfect world

The Ladies' Home Journal ,2001-07 **Southeast Asian Personalities of Chinese Descent** Leo Suryadinata,2012 This is a bold project recording the lives of a particular group of Southeast Asians Most of the people whose biographies are included here have settled down in the ten countries that constitute the region Each of them has either self identified as Chinese or is comfortable to be known as someone of Chinese ancestry There are also those who were born in China or elsewhere who came here to work and do business including seeking help from others who have ethnic Chinese connections With the political and economic conditions of the region in a great state of flux for the past two centuries it is impossible to find consistency in the naming process Confucius had stressed that correct names make for the best relationships In this case Professor Leo Suryadinata has been pursuing for decades the elusive goal of finding the right name to give to the large numbers of people who have in one way or another made their homes in or made some difference to Southeast Asia I believe

that when he and his colleagues selected the biographies to be included here they have taken a big step towards the rectification of identities for many leading personalities In so doing he has done us all a great service Professor Wang Gungwu National University of Singapore **Chicago Tribune Index** ,1999 *World Tourism Cities* Alastair M.
