Fontella Jones and the Children of the Porn Justeen Force, You could call The Fontella Jones Chronicles a detective novel series a mystery novel series or a crime novel series But they re something much more than that These are crossover stories that walk the edge of a precipice called political social and racial correctness They blur the line between reality and fiction and peel back the thin layer of society s civility exposing the raw

roiling malevolence that lurks beneath The Chronicles are a portrait of a black female cop in flux Caught in the hot sweaty grip of a dimension between apathy and anarchy she has taken a stand as a thinking human being in a place where prejudices can kill and a closed mind can destroy A place where her whiskied searches on long silent nights for faith strength and truth drag her through the sewers of the less positive pursuits of man human slaughter torture and misery Dispensing justice is her only solace Enter the world of Fontella Jones at your own risk
