**Work From Home: Home Online Business That Allows You Time & Work Freedom (Legit Online Jobs You Can Start Today Without a Degree or Experience)** John Dansby, 101-01-01 Every weekday morning working people leave the comfort of their homes to head to work. Some of them live so close to their places of employment they're able to walk. Others commute on trains in cars and even on bicycles. Many of these people dream of working from home. They reflect on the joys of awakening and walking with their coffee from the kitchen to their home office even if it's the kitchen table. They sigh ruefully not believing that the work from home dream could be theirs if only they were to think a little outside the box. Garage sale online business. The entire process of selling garage items online. How to choose the products to sell. A list of the guaranteed hot items to sell. How to find items outside your own garage so you can expand once you found a best seller. Top tips for a successful online garage sale business. The 2 best platforms to sell your product in and how to set up your account. How to create your product listing an a step by step manner. Examples of listing to copy. How to get more customers via search engine optimization. Each chapter includes real examples tools you can use today and step by step action plans. Whether you want full time freedom or just a reliable side hustle. Work From Home Jobs will show you exactly how to start grow and scale your remote income without guesswork.

**The Sharing Economy** Arun Sundararajan, 2017-04-21 An insightful guide to the forces shaping our economy that explores the far ranging implications of the shift to crowd based capitalism with case studies on Uber Airbnb and others. Hal Varian Chief Economist at Google. Sharing isn't new. Giving someone a ride having a guest in your spare room running errands for someone participating in a supper club these are not revolutionary concepts. What is new in the sharing economy is that you are not helping a friend for free you are providing these services to a stranger for money. In this book Arun Sundararajan an expert on the sharing economy explains the transition to what he describes as crowd based capitalism a new way of organizing economic activity that may supplant the traditional corporate centered model. As peer to peer commercial exchange blurs the lines between the personal and the professional how will the economy government regulation what it means to have a job and our social fabric be affected. Drawing on extensive research and numerous real world examples including Airbnb Lyft Uber Etsy TaskRabbit France's BlaBlaCar China's Didi Kuaidi and India's Ola. Sundararajan explains the basics of crowd based capitalism. He describes the intriguing mix of gift and market in its transactions demystifies emerging blockchain technologies and clarifies the dizzying array of emerging on demand platforms. He considers how this new paradigm changes economic growth and the future of work. Will we live in a world of empowered entrepreneurs who enjoy professional flexibility and independence. Or will we become disenfranchised digital laborers scurrying between platforms in search of the next wedge of piecework. Sundararajan highlights the important policy choices and suggests possible new directions for self regulatory organizations labor law and funding our social safety net.
