**George Masterson**

## Reddit Update Promo:

**Reddit for Entrepreneurs** George Masterson, 2024-11-14 Are you ready to harness the power of Reddit and take your business to the next level Reddit isn't just another social media platform it's a goldmine for entrepreneurs offering access to one of the most engaged and influential communities online In *Reddit for Entrepreneurs* discover how to tap into Reddit's vast ecosystem to create viral content build a loyal following and establish your brand as a trusted authority in your niche Whether you're a startup founder digital marketer or seasoned business owner this step by step guide reveals the strategies you need to make Reddit work for you You'll learn how to navigate subreddits like a pro leverage the power of AMAs Ask Me Anything craft high engagement posts that resonate and build authentic connections that convert into customers all without coming across as salesy Inside you'll discover Proven techniques for creating viral content that drives upvotes comments and shares Insider tips on mastering Reddit's culture so you can grow your brand without breaking community rules Expert advice on expanding your reach across multiple subreddits to connect with new audiences How to host successful AMAs that showcase your expertise and draw massive engagement Strategies for tracking your success and optimizing your content to keep your growth soaring Forget traditional advertising Reddit is where the real engagement happens With *Reddit for Entrepreneurs* you'll learn how to unlock Reddit's full potential to dominate your niche and skyrocket your business online If you're serious about standing out in a crowded digital world this book is your ultimate guide to building influence increasing visibility and making more money with the power of Reddit Get started now and join the ranks of savvy entrepreneurs transforming their businesses with one of the internet's most powerful platforms *You've Been Played* Adrian

Hon, 2022-09-15 How games are being harnessed as instruments of exploitation and what we can do about it Warehouse workers pack boxes while a virtual dragon races across their screen If they beat their colleagues they get an award If not they can be fired Uber presents exhausted drivers with challenges to keep them driving China scores its citizens so they behave well and games with in app purchases use achievements to empty your wallet Points badges and leaderboards are creeping into every aspect of modern life In *You've Been Played* game designer Adrian Hon delivers a blistering takedown of how corporations schools and governments use games and gamification as tools for profit and coercion These are games that we often have no choice but to play where losing has heavy penalties *You've Been Played* is a scathing indictment of a tech driven world that wants to convince us that misery is fun and a call to arms for anyone who hopes to preserve their dignity and autonomy **Language and Mediated Masculinities** Robert Lawson, 2023 From television shows to the manosphere and from alt right communities to fatherhood forums debates about masculinity have come to dominate the media landscape What does it mean to be a man in contemporary society How is masculinity constituted in different media spaces This growing cultural tension around masculinities has been discussed and analyzed both for general audiences and in burgeoning academic scholarship What has been typically overlooked however is the role that language plays in these mediated

performances of masculinity In *Language and Mediated Masculinities* Robert Lawson draws on data from newspapers social media sites television programs and online forums to explore language and masculinities across a range of media contexts The book offers a critical evaluation of the intersection between language masculinities and identities in contemporary society and addresses three key questions How are masculinities constructed in both public and private spheres through linguistic and discursive strategies How does language about masculinity and men affect and recreate gender ideologies in different social political and historical contexts What might the language of men tell us about the state of contemporary gender relations in the twenty first century Lawson furthers our understanding of how language is implicated in re creating gender ideologies and how it shapes contemporary gender relations Against a cultural backdrop of rising neoliberalism ethnic nationalism online radicalization networked misogyny and fractious gender relations this book is an important contribution to charting how language is used to monitor evaluate and police masculinities in online and offline spaces
